FARTS and PILES

ASSHOLE OF THE MONTH

Holy shit, Ratman! The rabid right has a new boy wonder. His name is Ralph Reed, he's the executive director of a proud, power-hungry political apparatus that calls itself the Christian Coalition, he's only 33 years old, and already he has been named HUSTLER's Asshole of the Month for September 1995.

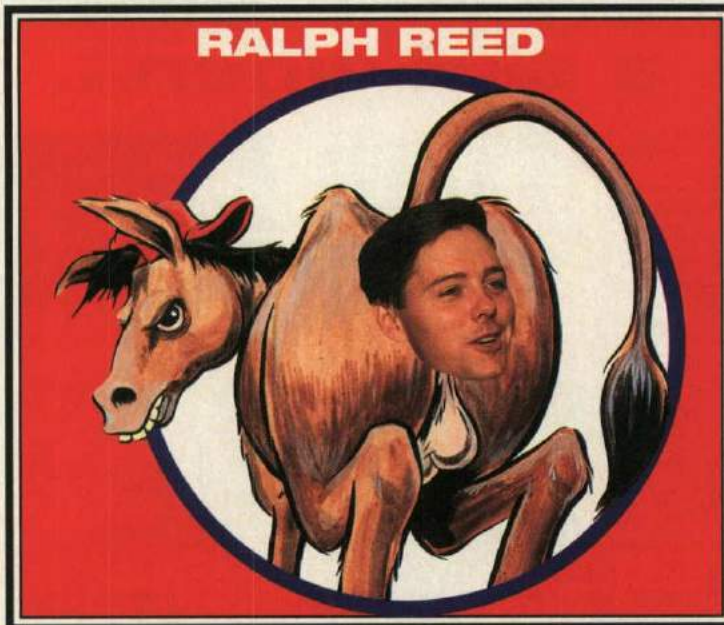

Ralph Reed has the face of an angelic adolescent. Little-boy Ralph wears a cherubic look of self-conscious innocence, the equal of which has not been seen since the first *Omen* movie. The devilish twinkle in Ralph Reed's eyes is never more than one glimmer short of a satanic gleam.

Ralph Reed is a self-professed born-again Christian. His business is to amass electoral clout. Reed wheels and deals in ideals and ethics while claiming to be on a mission for a higher good, to be accountable to an authority beyond any on this Earth. Reed would have millions of faithful Americans believe that his job is to expedite the work of God.

Reed furthers the Lord's endeavors by brokering the votes of the religious right.

Jesus Christ, a man generally accepted to rank among the greatest Christians of all time, did not run for public office. In fact, there is no Gospel account of Jesus Christ ever endorsing any candidate for the Roman senate.

Jesus simply lacked the vision of a super, modern Christian such as Ralph Reed. Perhaps if Ralph had been around 2,000 years ago to poll and do feasibility studies, he could have shown Christ the wisdom of

taking the temple to the money lenders, rather than kicking the money lenders out of the temple.

Ralph Reed has written a book titled *Politically Incorrect* (Word Publishing). The book's dust jacket features laudatory quips to Ralph Reed from three previous Asshole of the Month designees. Reed's book can be read in the course of one miserable afternoon. It is a very useful book for anyone who is afraid of remaining awake, joyful and wise.

Beyond being merely tiresome, depressing and stupefying, *Politically Incorrect* drones on with a tone and an intent that owe more to the dynamics of Adolf Hitler's *Mein Kampf* than they do to the Bible. The Bible, often called the most important piece of lit-

erature in Christianity, is a tome any God-fearing writer would hope to emulate, rather than the raving rationalizations of this century's most infamous man of hate.

As a young pup, Ralph Reed's driving ambition was not to save souls. Tail wagging, he wanted to be the next Lee Atwater. Atwater was the ugliest political operative in the ugly '80s, remembered for merciless character assassinations and uncharitable scare tactics. Such were the so-called Christian virtues admired by young Ralph.

One of Reed's annoying mannerisms is to speak as though his personal opinion is doctrine to everyone who claims to be a person of faith. How, for instance, can Reed honest-

ly assert that the many millions of Americans who share a common, fundamental belief in God will also unanimously agree on such nonspiritual issues as the balanced-budget amendment or a line-item veto?

He makes precisely those claims.

"We're the McDonald's of American politics," boasts Reed of his Christian Coalition, and the comparison is more apt than he'd like to admit: Monotonous, ubiquitous and nutritionally suspect, dripping in smarm and deep-fried—such are the contentions and convictions of McRalph Reed.

Though his career is geared toward gaining control of elected officials throughout the country, Reed is quick with a disclaimer. On the one hand, page 28 of *Politically Incorrect* to be exact, Reed spins a dry dream of the crime-free, family-valued, well-educated democratic utopia that would result from an America in which elected "religious conservatives served."

However, Reed has already asserted, on page 27, that most of what religious believers "desire for society can only be achieved through private philanthropy and personal acts of goodness." Why not then, Ralph, get out of politics and do some good act, personally?

An optimistic view of human nature dictates that many religious people are good and intelligent. It is only a matter of time before Ralph Reed's true colors show to even the most devout of his flock. When that day comes, we will join our voices and shout up to the heavens: "Ralph Reed is a godless Asshole!"

Pete Wilson: It's a tradition for Republican governors from California to act as if the most important part of their job is to run for President. Governor Pete Wilson, in this matter as in so many others, is no exception. Wilson's platform is constructed primarily upon bluster and blame, much of it directed

Farts in the Wind

at illegal immigrants. Contrary to his anti-undocumented-worker stance, Wilson has admitted to hiring a shady alien as a nanny. It's a tradition for Republican governors from California to be Assholes.

G. Gordon Liddy: In the wake of the Oklahoma City bombing,

talk-show host and convicted Watergate felon G. Gordon Liddy advised his listeners to "shoot for the head" if Alcohol, Tobacco and Firearms agents were to "smash in unannounced and assault you." The head shot is highly efficacious, but is less sure than aiming for an Asshole.

For some, September signifies going back to school and boning up on boring topics. For the HUSTLER staff, however, our youthful studying generally consisted of poring over new issues of *MAD Magazine*. In celebration of those formative satiric days of youth, this month we devote the *Bits & Pieces* section to parodies of *MAD*'s most memorable features, done, of course, with a HUSTLER slant.

There are good girls and bad girls; girls made of sugar and girls made of spice, but there's a certain salacious slice of coochie-pie all men desire, but no one wants to keep—the slut. Sometimes a guy won't realize he has a slag skag right under his own nut sac. Thus, we've devised this raunchy, yet reliable guide to help spot the overly promiscuous pussy.

You know your girlfriend's a slut when...

A View of the Front

Everyone here participating in Operation Uphold Democracy in Port-au-Prince, Haiti, really enjoys reading HUSTLER. If it weren't for your publication, I think most of us wouldn't remember what a fine pussy looks like. Your photographers do a great job catching a healthy cat in action. With fewer than 20 females here and more than 700 hundred males, your magazine is the only way we can spell relief: S-P-A-N-K. Keep up the good work and keep us aroused with full-sized glossy pictures of beautiful gals with big, bouncing breasts.

—The Boys From the 3rd Squadron,
2nd Armed Cavalry Regiment
Port-au-Prince, Haiti

Poetry and Motion

Here's a little poem from us soldiers stationed in lovely Haiti.

We've been stuck in Haiti
For what, we don't know
But for our time spent here
One thing sure does show
When we return to the States
Our palms we must mow
'Cause with HUSTLER in hand
Off to the shitters we go!
So thanks to the staff
And the slutty chicks too
Your mag sure beats boredom
And helps spill our goo!

—Poo-Poo Man
Port-au-Prince, Haiti

Beauty and the Best

I'm a recent subscriber to your magazine, and I've been very pleased by the quality of the pictorials. Every issue has had the most fuckable babes I've seen anywhere! One girl, however, really caught my attention: Sandy from your May '95 issue (*Shannon and Sandy: Pink Panthers*, May '95). Sandy is the hottest piece of ass I've ever seen in a men's magazine. She has the prettiest, pinkest pussy, and lips made for sucking cock. Her tits are just the right size and beg to be fondled, as does her luscious ass. I've got a hard-on just thinking about her. Thanks for a great pictorial.

Sincere Flattery

Some friends recently introduced me to HUSTLER and was I pleasantly surprised! I am new to the U. S. and have never seen anything like your *Beaver Hunt* section before. These "plain Janes" are infinitely more attractive than the silicone-enhanced professional models. I've always been a big fan of women who have very small breasts. For some reason, a 36-24-36 figure leaves me limp. The smaller the better, I say! I hope this letter encourages you to show more of these beautiful women. In fact, I'd love to see a special issue for those

of us who like A-cupped girls. I bet that would be a surprisingly popular magazine.

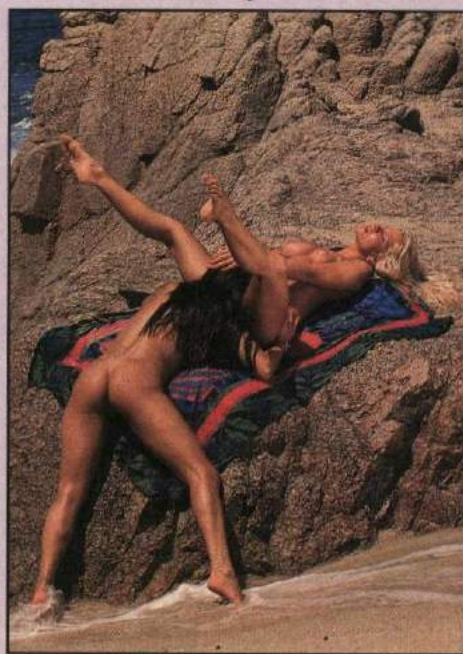

—"Likes 'Em Small"
Seattle, Washington

Flat-chest fanatics will flip for the A-cupped splendor of Adrianna coming in the next issue of HUSTLER. If you can't wait until October '95, grab any copy of HUSTLER'S BARELY LEGAL, which features the youngest girls allowed by law, many with breasts that are still budding. Check your local newsstand or call 1-800-345-7413 to order this monthly celebration of coming-of-age cuties.

A Gushing Bride

I'm in search of information about G spots. I understand that the stimulation of a woman's G spot will cause a climax so intense, fluid will flow. Unfortunately, I don't know the location of this magic button, how to reach it or if a special toy is required. I'm recently married, and my bride is not experienced. I have a great time showing her the joys of sex and would love to give her this kind of flowing orgasm. Please provide whatever knowledge you have.

—S. B.
Wichita, Kansas

Forrest Chump

My name's Forrest. Forrest Chump. Mama always told me stupid is as stupid does. Right now, the most interesting thing I see on this bench is my box of chocolates. How am I doing, Mama?

You're **stupid**, Forrest! You're **really, really** stupid!

I'm Jerky. I lead a retarded man on for two decades, dump him repeatedly to consume drugs and fuck around until I catch AIDS. Then I stick the simp with our bastard spawn. Never mind Forrest: How **stupid** is a feel-good movie where *I'm* the "sweetheart?"

Shrimp gumbo, boiled shrimp, shrimp salad....

What's with you and the seafood, Blubba?

I ain't never been so close to nekkid wimmen before, Lieutenant Damned, and I'm tryin' to place that **smell!**

Of course, in a life as stupid as mine, it's only natural that I'd have **numerous run-ins** with politicians!

I've got to pee!

Sure, just let me come on her first!

Mama told me that when I got to be a certain age, I'd have to figure out what to do with my balls. I think I came through like a champ, but Jerky and her pals **weren't** so sure!

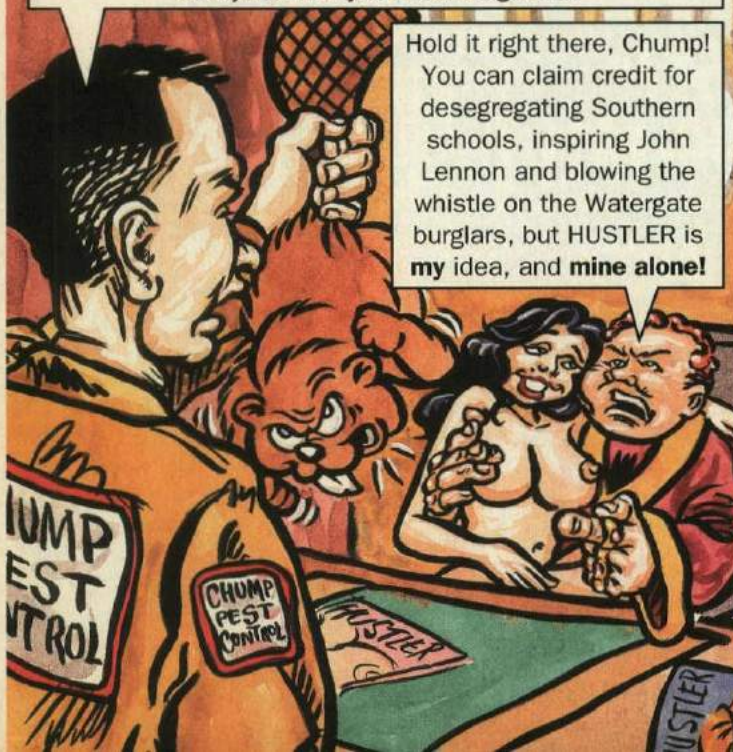

Forrest, I said I wanted to play with your **dingdong**!

I've had a lot of jobs and met a lot of **colorful folks**. For instance, in 1975, I did some extermination work for an **up-and-coming** magazine publisher.

Mr. Flynt, I caught the **beaver** that was digging up your garden; so maybe now you can concentrate on finding the symbol for your new magazine.

Hold it right there, Chump! You can claim credit for desegregating Southern schools, inspiring John Lennon and blowing the whistle on the Watergate burglars, but **HUSTLER** is **my** idea, and **mine alone**!

So I guess I've done **some** stupid stuff. I volunteered for combat in Vietnam, and **that** was pretty stupid. I spent my life pining for a junkie whore, and **that** was stupid. I **still** haven't acknowledged these two naked broads next to me, which is **definitely** stupid. But I **never** paid \$7 to see that movie *Forrest Gump*—**that** would be **really** stupid!

Foot to Be Tied

Please help! In a recent issue, you had an article about foot fetishes that included addresses for foot-worshipping fan clubs ("Getting Off on the Right Foot," *Sex Play*, August '94). Unfortunately, I didn't write down the numbers before my issue was "borrowed." Please reprint that information. While on the foot subject, your June centerfold was as close to perfection as I have seen in months (Ashley: *Slow Ride*, June '95). There was only one problem with that layout: She was wearing shoes! It's one man's opinion, but footwear has no place in your photo-shoots. Otherwise, keep up the good work. —C. D.

Kansas City, Missouri

Footmen looking for sole satisfaction can contact *Fantasies Unlimited*, P. O. Box 1688, Jupiter, FL 33468-1688, and the *Rhonda Shear Fantasy Club*, P. O. Box 24532, New Orleans, LA 70184-4532.

Every Pussy Tells a Story

Yours is the only men's magazine I purchase with any regularity. Unfortunately, I've missed some issues and want to know how I can order ones that are no longer on the stands. I've been thinking of subscribing for some time now; your magazine is definitely worth it. I would, though, like to make a couple of suggestions. First, your photos are great, but you should show more interracial pictorials. Secondly, your pictorials have gotten a little dull. In the past, layouts used to tell stories that were interesting and amusing. For example, I fondly recall the attractive female mummy who was found and fucked by the handsome adventurer, as well as an incredible take-off on the *Wizard of Oz*. In the past few years, all the imagination has dissolved into almost nothing. Give us a little story. —B. G.

St. Peters, Missouri

Back issues of *HUSTLER* can be ordered by calling 1-800-345-7413. In addition, B. G., sexy stories abound in upcoming is-

sues of *HUSTLER*. A few pages from now, enjoy a literal interpretation of the white man screwing an Indian, titled *Sean and White Dove: Dances With Pussy*. In October, get hooked on two girls who troll for more than bluegills down at the watering hole, and in November, witness a game of strip chess that shows a new strategy for taking the queen.

Three-Quarters, a Wreck

The Erotic Entertainment section of the June '95 issue was, as always, fabulous. There was only one problem: Christian Shapiro's fuckup in his review of *Butt Slammers* 8. I immediately purchased that film based on his Three-Quarters Erect review and anticipated the hot lesbo scenes that have gotten better and better as that series wears on. The eighth installment, however, was *Totally Limp*. What the hell was [director] Bruce Seven thinking when Brooke Waters came? It was censored. CENSORED?! What the fuck is up with that shit? In *Butt Slammers* 3, Felecia masturbated until she came, and that was left on film. Is the FCC getting harder on the porn business, or is Seven getting softer? Did Mr. Shapiro even see the movie? Or did he just get off looking at the box cover and then write his review? By the way, I've

seen my fair share of porn and was wondering how I could get my thoughts on fuck films published? Maybe you have an opening in Shapiro's spot? —E. C.

Isanti, Minnesota

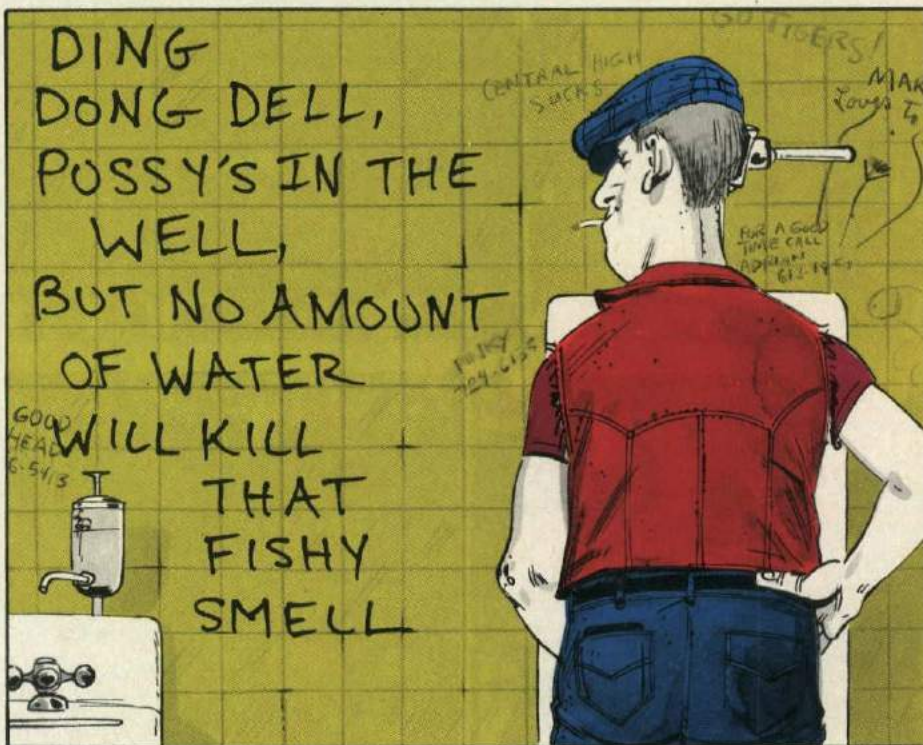

When it comes to watching and whacking to porn flicks, opinions are like assholes, E. C., everybody occasionally sticks his head up one. The FCC probably had nothing to do with the unfortunate editing of the Brooke Waters climax in question. Sounds like Seven just dropped the ball. Hey, even Michelangelo had off days, which still doesn't excuse Christian Shapiro's boner. Rest assured, stiff action will be taken against the careless cooze critic. In fact, E. C., the *Erotic Entertainment* Editor may soon forward all porn box covers to your home, to compare your reviews to Shapiro's. Thanks for the help.

Black and White and Tread All Over

I want to respond to L. C. of Alabama, whose recent letter railed against black people for supposedly perpetrating the ills of society ("Black and White and Red All Over," *Feedback*, June '95). I am a 32-year-old black woman married to a

SONG AND DUNCE DEPT.

Television comedies present unrealistic situations in which all problems can be solved in a half hour's time with the feeblest of sugar-coated sermons. Worse, these shows utilize dopey, juvenile songsmithery to convey their half-baked premises. All this got HUSTLER to wondering what it might sound like...

If Real Life Had Theme Songs

ARTIST: DANIEL M. COLLINS

The Lawyer's Theme:

"Now Everybody Stakes a Claim"

(Sung to the tune of "Where Everybody Knows Your Name," the theme from *Cheers*)

Makin' your case in the court today
Really is a hoot
No bogus charge is too outrageous
For a frivolous lawsuit
Wouldn't you like to file away?

Chorus:

Since lawyers run the world
Now everybody stakes a claim
We legal sharks have got no shame
You ought to feel like you can't deal
Without a personal attorney team
Now everybody: Stakes your claims!

The Proctologist's Theme:

"Open Crack"

(Sung to the tune of "Welcome Back," the theme from *Welcome Back, Kotter*)

Open crack
Lay down flat, spread your knees
Open crack
Day in, day out—all I see
You don't know what it is to be really down
Till you see a rectum that's green when it should be brown
Oh, what was I thinkin'?
(What were you thinking?)
Man, this job is stinkin'!
(Yeah, it's really stinking!)
Sometimes I get so damn pissed
I feel like a urologist—open crack
Open crack, open crack, open crack
Open crack, open crack, open crack

The Stripper's Theme:

"Scum Is All Around"

(Sung to the tune of "Love Is All Around," the theme from *The Mary Tyler Moore Show*)

Who can turn the world on for a buck?
Who can shake her silicone
for a runway's length of
drunken *shmucks*?
Oh, it's you, bim, and you have to do it
You had a real job, but then you blew it
Every chance you took
You found a way to spoil it
Whatever dreams you had
Are swimming in the toilet
You really fucked up your whole life
That customer's going home to his wife
You'll be naked for the rest of the night
You really fucked up your whole life

SODOMANIA 11: IN YOUR FACE

Fully Erect. Directed by Patrick Collins; starring Georgina, Monika, Jacqueline, Tina Schwarz, Aniku, Melissa Monet, Jen Teal, Olga, Andrea, Ildiko, Roscoe Bowltree, Christof Clark, Atilla and Zoltan. Videocassette: *Elegant Angel*.

Patrick Collins delivers a *Sodomania* tape *again*. This 11th outing features an international array of fresh-faced, top-flight, sizzle-snatched tyro-fucks *again*. Every scene is clever, brilliantly shot and thoroughly whackable *again*—from burly Roscoe Bowltree's cock-lashing of Georgina to a pair of New Wave French-chick photographers climbing atop two blindfolded muscleboys to stretchy, sexy Melissa

Monet siphoning muff-juice from delectable teen trollop Jen Teal. Director Collins and his associates deservedly win a *Fully Erect* rating *again*. The critic must now put *Sodomania 11* in his VCR *again*, and stroke himself silly *again*. Readers who check out *In Your Face* will find themselves launching similar high praise...again and again and again.

—Mike McPadden

Sodomania 11: Monet tucks tit into Jen Teal's slit.

Sodomania 11: Three fucking foreigners.

MICHAEL NINN'S SEX 2: FATE

Three-Quarters Erect. Directed by Michael Ninn; starring Sunset Thomas, Tiffany Million, Shayla LaVeaux, Debi Diamond, Chasey Lain, Misty Rain, Diva, Asia Carrera, Deidre Holland, Kaitlyn Ashley, Gerry Pike, Jon Dough, Steve Drake and Zachery Adams. Videocassette: VCA.

One key element differentiates *Michael Ninn's Sex 2* from its high-gloss, beer-commercial-slick predecessor: *Sex 2* is legitimately pornographic—it looks great and you can jerk off to it. The plot is heavy-handed nonsense that, thankfully, dismisses limey prick Gerry Pike early on in favor of salacious waif Sunset Thomas's rise to stardom. There's hokey disco chanting, space-age latex lesbians, Jon Dough continuing to astonish with his pro-level acting ability, wild lighting effects and a million porn stars whom even a casual smut consumer has witnessed get wet a million times before but, as photographed by the MTV-weaned Ninn, the vets come off fresh, buoyant and appealing. Art-bent meat beaters will find *Sex 2's* knockout eye candy and propensity to draw lap-liquid a thoroughly pleasing Fate. —M. M.

Sex 2: Diamond slips Sunset some bogus bone.

Lonely: Jizz-friendly Jeanna Fine.

LONELY HEARTS

Three-Quarters Erect. Directed by Wesley Emerson; starring Jeanna Fine, Kaitlyn Ashley, Jordan Lee, Amanda Addams, Brooke Waters, Dallas, Jon Dough, Tom Chapman, David Hardman, T. T. Boy and Alex Sanders. Videocassette: VCA.

Those to whom *Cabaret* or *The Sterile Cuckoo* were erotic milestones should beat a path to see Wesley Emerson's *Lonely Hearts*: Lead-labe Jeanna Fine is looking quite Liza Minelli these days—all close-cropped, raven tresses, garish, dangling earrings, severe eyebrows, overapplied makeup and long, swirling, gypsy scarves. Her succulently rebuilt body packs an entirely separate appeal: one that works for heterosexual men. Fine's gaping Minelli-mouth laps Kaitlyn Ashley's considerable loins, accepts a froth-bomb from Jon Dough's boffer and directs Amanda Adams and Dallas to sapphic silicone-boob-banging bliss. Dudley Moore's *Arthur* only wishes he had it so good. Elsewhere, T. T. Boy bone-tangos with Adams's anus; Tom Chapman and David Hardman try to slap their penises together, but Brooke Waters's body openings get in the way; and Alex Sanders sinks one deep into Ashley's dinkhole. *Lonely Hearts* will get strokers beating. —Selwyn Harris

EXTREME SEX 3: WIRED

Half Erect. Directed by Toni English; starring Janine, Kaitlyn Ashley, Tammi Ann, Brittany O'Connell, Bianca, Felecia, Debi Diamond, Tom Byron, Ian Daniels, Sean Michaels and Vince Vouyer. Videocassette: Vivid.

The extremities of *Extreme Sex 3* are confined mostly to goofy costumes, wacky sets and the cosmic injustice of Janine hanging around and not getting fucked. Let's say little trooper trollop Brittany O'Connell paints mari-onette makeup on her cheeks and takes on the lengthy, turgid eels of two black studs hungry for white mouth, muff and butt. While little Brittany dutifully relieves the dusky gentlemen of their pent-up sexual aggressions, shrewish blonde Janine stands around on the sidelines making faces and grasping her crotch as though some form of arousal is taking place. Answer this: Does Janine receive a pay rate for this action, as though she has fully participated in an actual sex scene? If so, she's getting rich while Debi Diamond is getting a squirt of jizz in her horse-bit-clenching jaw. Tammi Ann is receiving Tom Byron's spuzz on the small of her back, and a pout-mouth blonde absorbs a spot of splooge with her butt crack. Such easy money seldom makes for *Extreme Sex*. —Christian Shapiro

Wired: Blowjobs, blondes and bones.

REAL TICKETS #2

Half Erect. Directed by Wesley Emerson and Jim Holliday; starring Tiffany Mynx, Brittany O'Connell, Chasey Lain, Keisha, T. T. Boy, Cody Adams, Joey Silvera and Shawn Ricks. Videocassette: VCA.

Plenty of real tits flap, scoot, shimmy, swing and sway throughout *Real Tickets #2*, but there's not enough sex to support those braless, silicone-free wonders. Supposedly participating in a televised gymnastics competition, two rival squads of all-flesh girls do backflips, splits and cartwheels, jump up and down on a trampoline, stand wobbling on a balance beam—all naked with chest orbs floating free. One broad bends over backward so far that she can lick the tops of her toes—nude. These feats of strength, grace and resilience, probably the fruits of summers past at girly athletic camps, are something to see, but what the fuck? Two chicks twist on the dick of a pro prick and bring him to an internal cum-shot: That's a *fake* ticket. At halftime, Joey Silvera and T. T. Boy go to opposing locker rooms and cram the crappers of individual contestants, Boy getting the better draw by plugging into bubbly bit Brittany O'Connell. A cunt licks a snatch as a cock invades its anus, and more than six slits break into small groups and work out with dildos and strap-ons. *Real Tickets #2* would have benefited from more fucking reality.

—C. S.

Tickets 2: Limber Lynn and pretzel-like pussy taster.

Monet kneads her seat-meat.

Squat for a twat shot, M. M.!

melissa Monet: From New York Cabbie to California Cum-Shot Queen

Attitude is Melissa Monet's most immediately noticeable feature—no mean feat considering the luminous porn actress's shapely legs, hardy butt-cakes, shimmering brunet locks and gloriously squishy, unenhanced breasts. The former taxi driver from New York City dropped by the HUSTLER compound to sound off on her life's new route.

HUSTLER: What made you hang up your hack license for a life of professional fucking?

MELISSA MONET: I love pornography. I've loved it ever since I was four years old, and somebody showed me an 8mm X-rated cartoon. I was never abused or anything; I think I just came out a sex maniac. Pornography provides the ideal outlet for me.

HUSTLER: How have you adjusted to switching coasts?

MONET: Well, I really hate the food in Los Angeles, and there's no nightlife, but the weather is beautiful; so everybody runs around in skimpy clothes, which is great. I love that I can go to the beach in February and stare at beautiful bodies.

HUSTLER: Can we assume that you're bisexual?

MONET: Completely. The first time I made another woman, I was 20 years old. She was in her 30s, a professional dominatrix, and we went wild! Don't get me wrong though: Cock is my number-one passion.

HUSTLER: What do you hope to get out of your porn career?

MONET: Good times, good friends, a lot of hot memories and, oh yeah, teenage girls! I love young pussy! I recently did a scene with Jen Teal, who's 18. To any producers who are reading this: Set me up with the young ones!

Monet makes Marc Wallace in *Peepshow*.

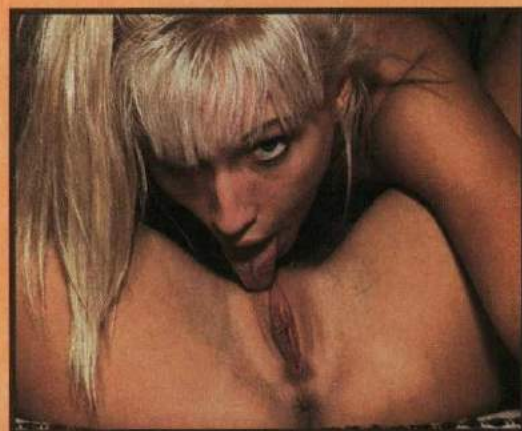

DOUBLE CROSS

Half Erect. Directed by Geoffrey Coldwater; starring Joey Silvera, Deidre Holland, Krista, VixXen, Stephanie DuValle, Shana, Selena St. Clair, Colt Steele, Dick Nasty, Arnold Schwartz, Toby Dammit, Chris Marlow and Tony LaBrea. Videocassette: Midnight Film.

Some single-word answers to questions raised by *Double Cross*. 1) Is there room in the jerkoff world for another porno private eye? No. 2) Is Deidre Holland so hot and sweet that a shower scene of another snizz mouthing the freshly watered Holland butt crack is enough to overcome many failings in the typically inept porno production? Yes. 3) Can poor, blown-out lighting in a shot-on-film project take a halfway indecent poop-er probing of a pouty young chick by old Dick Nasty and reduce it to an indistinguishable blur of glare and shine? Yes. 4) Will the typical onanist bother to rewind a scene to verify that it contains no cum-shot? No. 5) Is the Half Erect rating for *Double Cross* slightly more generous than it deserves, influenced by the delectable Deidre Holland? Maybe.

—C. S.

Double Cross: Look, VixXen—vagina! Lick!

Virgins 16: Think it's really her first time?

Bunmasters: Tera Heart humps in bogus trash.

VIDEO VIRGINS #16

Half Erect. Directed by I. Didditt; starring Shonnalynn, Pershia, Dominique, Roxanne, Silya and some dudes. Videocassette: New Sensations.

Virginity knows no age limit, and a few of the first-timers in *Video Virgins #16* have gotten a little long in the tooth. The good news is that women continue to put out interesting prurience even after the corners of their eyes have become permanently creased. Big, real, fully ripened tits, as seen hanging and billowing upon the chest of #16's first virgin, have an ongoing appeal long after they have slipped to a level of accepting gravity. By now, most strokers know the New Sensations drill. The girl chats a bit about her sexual history, she's shown in a selection of nude glamour poses, a masturbation sequence occurs, then a handsome stud comes on and puts the royal screw to her. Some of the chicks look best yanking their clams; others don't truly shine until a dick is put into the picture. A good portion of the breasts are silicone free; none of the talent looks pro or skag; a few of these ladies even appear to possess self-esteem. Don't be frightened by it.

—C. S.

BUNMASTERS

One-Quarter Erect. Directed by Walter White; starring Tera Heart, Jeanna Fine, Danyel Cheeks, Brooke Waters, Debi Diamond, Bridgette Aime, Roxanne Hall, Dallas, Anna Malle, Jon Dough, T. T. Boy, Alex Sanders and Tom Chapman. Videocassette: VCA.

Production and direction of the limp infomercial spoof *Bunmasters* is credited to the White Brothers, Gregory and Walter. Duh. That lame play on the famous Dark Brothers moniker is as clever as *Bunmasters* gets, though its all-out inversion of the Dark ethos borders on being an achievement: Whereas the Dark Brothers' movies propelled dynamic, fresh-gash strumpets into whacked-out worlds of limitless perverse possibilities, the Whites dump haggard, through-the-mill-type XXX skeeves into a dopey, overlong skit. *Bunmasters* blows, plain and simple, but its overall parasitic nature is especially annoying and insulting. Screw the White Brothers and shove *Bunmasters*.

—S. H.

ANAL MANIACS 2

One-Quarter Erect. Directed by Jonathan Morgan and Alex Sanders; starring Bunny Bleu, Anna Malle, J. R. Carrington, Autumn Daye, Amanda Adams, Alex Sanders and Jonathan Morgan. Videocassette: Wicked Pictures.

Anal Maniacs 2 showcases grating pricks Jonathan Morgan and Alex Sanders picking up hard-weathered gash, dropping their schlongs down unsurprised sphincters and bloviating in ostensibly comic "wild-and-crazy-guy" accents for 90 punishing minutes. Too lightweight to be unsavory, but too abrasive to be entertaining (let alone erotic), perhaps the true *Maniacs* are the execs at Wicked Pictures who gave carte blanche and a camera to ego-deluded mooks Morgan and Sanders, expecting them to deliver watchable product.

—S. H.

◀ **Anal Maniacs:** Adams opens wide—all over.

Savannah, who should be spinning by now.

Wilde (center) in the role of *someone's* lifetime.

The resemblance is uncanny.

Savannah

Sad, dead Shannon Michelle Wilsey—a/k/a porn-starlet-turned-suicide Savannah—is the subject of the hard-core bio-pic *Little Girl Lost*, from director Buck Adams and Sin City Entertainment.

The 35mm film production will focus on the beautiful, icy blonde's dark path from rock-star arm-adornment to the top of the XXX ginch-heap to her self-inflicted gunshot demise last year.

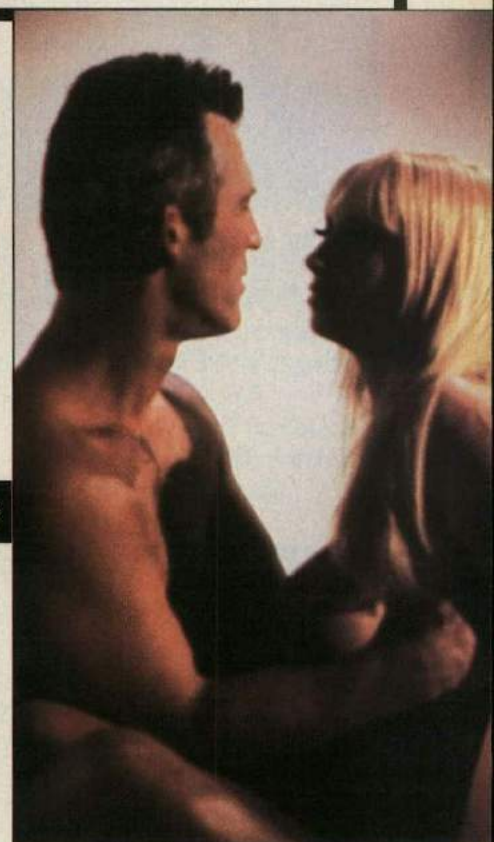

"The intention of the film is to tell Savannah's true story," reports a Sin City executive, "utilizing the freedom of adult video. No network TV

Rises Again?

movie could really present the facts the way *Little Girl Lost* will be able to."

The somewhat un-Savannah-like Rebecca Wilde will play the lead role, and the producers went so far as to shell out for the rights to the original version of Cat Stevens's "Wild World" as the flick's theme song.

Savannahphiles can look for *Little Girl Lost* in June 1995.

Director Adams does his diva.

WICKED WAYS #1: INTERVIEW WITH THE ANAL QUEEN

Half Erect. Directed by Jonathan Morgan and Alex Sanders; starring J. R. Carrington, Jonathan Morgan, Alex Sanders, Seth Damian, Tiffany Mynx, Melissa Monet, Cal Jammer, Max, Jay Ashley and Kyle Stone. Videocassette: Wicked Pictures.

The anal queen interviewed in this Wicked Pictures offering is straw-head blonde J. R. Carrington. J. R. isn't quite Heather Locklear's twin, but she is close enough to pass as a lookalike. The biggest difference between Heather and J. R. is that Carrington's videotaped activities—including carnal congress with multiple asshole invaders, naked grappling with a greased ginch, vulgar orgy behavior and facially sopping up a double-digit count of semen slop—far outstrip any filmic revelry the slavering public

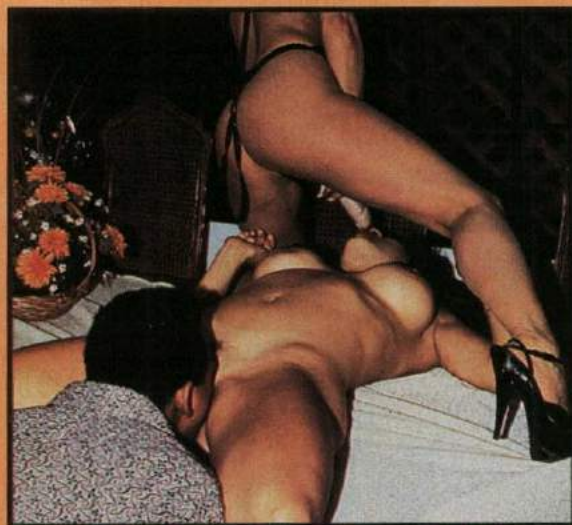

can expect to see from the *Melrose Place* pussy. Carrington is the center poon of *Anal Queen's* five fuckings (starting with a solo-bitch jerk-off, escalating to a tape-closing four-prick clusterfuck in which views of the broad get lost in all that beef), and her wide, salacious mouth provides the Q&A commentary between screws. As a sodomy queen, she's avid and high aptitude, but her butt cheeks are spotted with pimples, which is definitely unregal trapping for a rectal reamer. —C. S.

ANAL GENERATION

Half Erect. Directed by David Christopher; starring J. R. Carrington, Tera Heart, Anna Malle, Sally Layd, Sean Michaels, Steven St. Croix, T. T. Boy and Julian St. Jox. Videocassette: Plush Entertainment.

According to the hyperbolic box copy of *Anal Generation*, the current crop of erotic youngsters will be known by its penchant for poop-pit sex. Hopefully, these sperm-shitting bawdies will take time from their infertile sodomies to reproduce and replenish the butt cunts appearing in such sphincter loopery as: Big-ass brunet Tera Heart wailing like a stuck slut outdoors under a big sky as black man Sean Michaels grinds a mile of melanin up her behind; toothy glamour monkey Anna Malle going from vacuuming the carpet to rectally sucking up the bucking bone of spunk-squirting T. T. Boy; blond Sally Layd with her trailer-park ass and too-big tits pawed by the chicken-picking fingers and cracker-poking johnson of Julian St. Jox; broom-blond J. R. Carrington dually crammed and facially dumped on by two masked men; slop holes Heart and Layd in a feast of feculent fucking with St. Jox. The *Anal Generation* will help dirty boys grow up. —C. S.

Mellon Man: Layd spreads for anonymous head.

(continued from page 17)

sexy, white man, with three beautiful children. That's right, an interracial marriage! Despite what you think, L. C., we should respect all life as a whole and not view humanity as only having one color of the rainbow. People tend to remain in a continuous state of denial, which causes us to be blind to the foibles of the entire human race. Contrary to popular belief, we all have our fucking faults! This bullshit needs to cease and desist, or we're all doomed. I fear the cries of our children who desperately need our help. Adults, wake up! If L. C. were to take the time to notice, trouble begins with people like himself. Blacks aren't the only ones at fault, they're just a miniscule focal point for American injustice. White people also play a major role in this fucked-up theater called life. No one has the right to stereotype the attitudes or behaviors of one specific race. It will require all of us to resolve this extremely intense, yet delicate, equation where life+love=harmony. Are you willing to take the ultimate plunge, L. C., and be the first to spread that love? I am.

Mail Bomb

In the May issue, I saw a funny gag regarding the White House's recent rejection of postage stamps that depicted America's atomic bombing of the Japanese in World War II ("Stamp of Disapproval," *Bits & Pieces*, May '95). The gag seemed somewhat critical, however, of America's involvement in killing 200,000 Japanese people. Well, in 1945, my dad was a radioman on a Merchant Marine vessel. Had we not bombed the Japs, my dad's ship might have been torpedoed by a Japanese submarine. As the radioman is supposed to be the last man off the ship, there is a good chance he would have been killed. This means I, one of HUSTLER's most loyal subjects, would never have been born. Now surely my life is more important than a few odd thousand Japs!

—S. S.

Grass Valley, California

The *Bits & Pieces* satire in question, "Stamp of Disapproval," which suggested a substitute stamp design depicting those postal workers who've gone berserk and murdered fellow employees, was not intended to be critical of WWII events. Instead, the gag was aimed at the absurdity of commemorating the loss of any human life—be it Japanese or American—with a colorful stamp.

To Love, Honor and Masturbate

I've been reading your excellent magazine for years and wanted to congratulate you on a job very well done. People probably think *Playboy* is a good magazine, but HUSTLER's better because you don't just show half a body. HUSTLER shows the works and makes my dick so hard, I don't know what to do with it. I love getting aroused by the many girls in HUSTLER. Variety is the spice of life. What's the use being married for years and doing the same person over and over? That's boring! You only live once; so you might as well

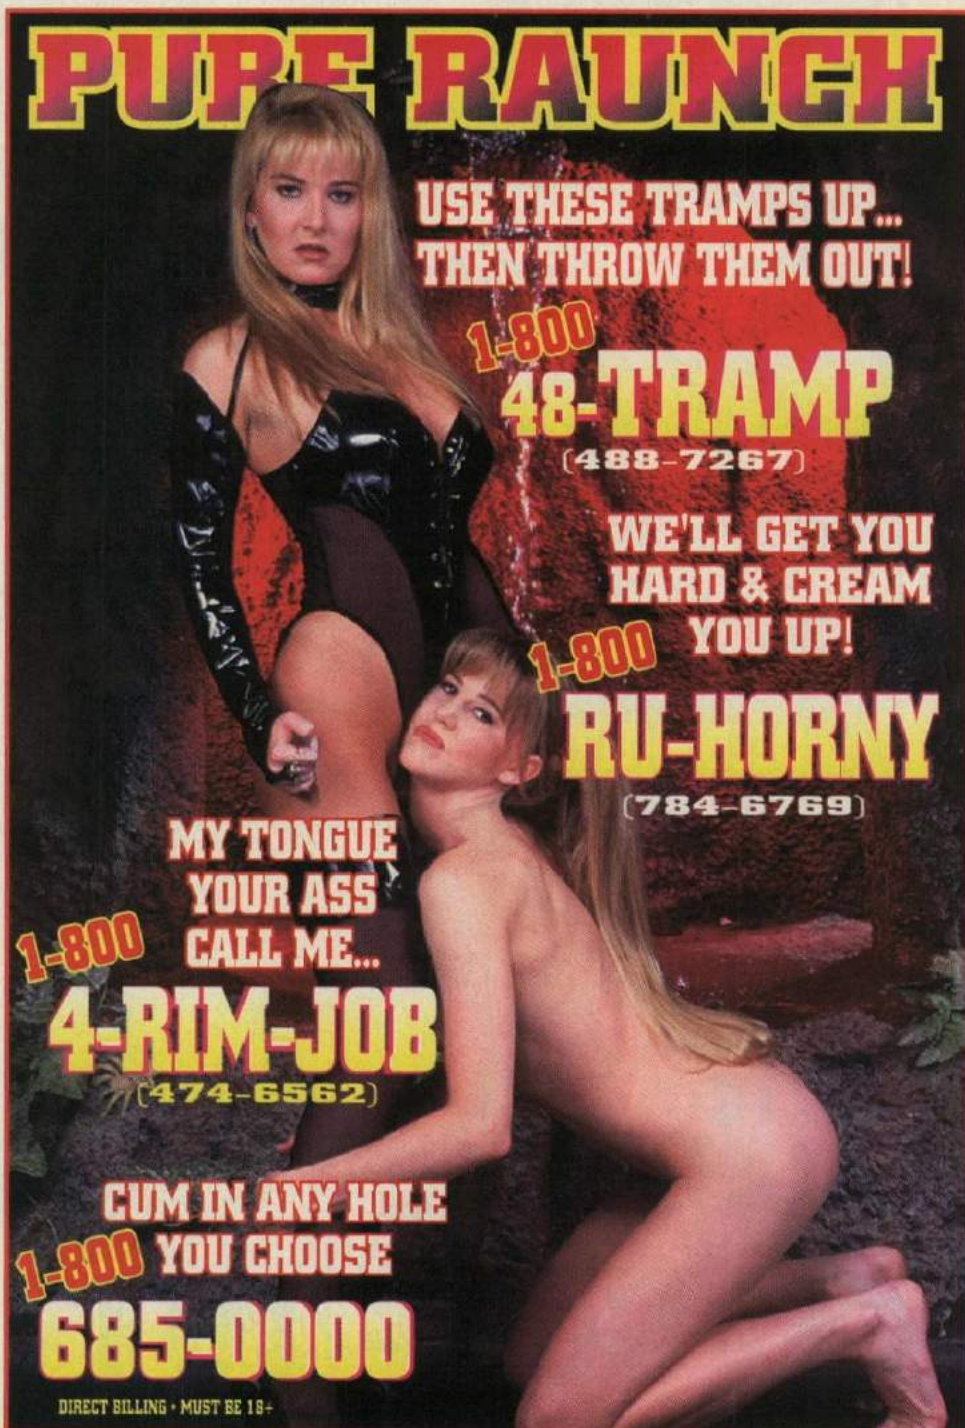

have fun. HUSTLER is a better companion than a wife could ever be. Keep it up!

—G. D.

Vacaville, California

If only HUSTLER Magazine could shop, cook and get a job, subscribers would never have to leave the house.

Do you have a comment or complaint? We want to hear it. Send your letters (typed or neatly handwritten) to HUSTLER Feedback, 9171 Wilshire Boulevard, Suite 300, Beverly Hills, CA 90210. Include a phone number if you want your letter considered for publication. 📞

MYSTERY DATE

I absolutely adore my husband, but after four years of marriage, I'm on close personal terms with every pimple on his ass.

When we first knew each other, sex was constantly exciting. We never knew when the mood would strike us—or strike him, I should say—and I'd find myself with my panties in shreds and my ankles over my head in cars, on rooftops, in other people's bathrooms. Jim was blindly demanding, but my protestations were mild, to say the least.

Now we know without speaking when we both want to make love, and when we both would rather make microwave popcorn and watch *Frasier*. I miss the thrill of a man forcing himself on me. I mean, I'm only in my 30s; I still qualify as "hot" in some men's perhaps myopic eyes. But let's face it, when a guy has seen your naked bod 2,000 times, even if it is relatively sag-free, he doesn't really care to rip your clothes off anymore. He's usually too lazy even to undo the buttons.

So it was with a distinct lack of enthusiasm that Jim greeted my suggestion for spicing up our love life. Despite the furious boning of our early days together, he's actually very gentle, and also prefers me to get on top, which is not exactly conducive to rape. But he agreed to fulfill my fantasy. To add to the potential excitement, we decided that he would surprise me with my pretend ravishment.

One evening a few weeks later, Jim called from the office and said he was going to be home late. *This could be the night*, I thought eagerly. I unlocked the back door. I wanted the game to be realistic, but there was no sense in having to call the locksmith.

Half an hour later, I was washing my hair in the kitchen sink, on pins and needles

wondering when Jim would show up. When I reached for the towel on the counter, a hand grabbed my wrist, and another clapped over my mouth and pulled my head back.

That was quick! I thought. Even though I was partly expecting him, my heart pounded, and I got that buzzing feeling in my cunt like I was about to pee or come. He pushed me back onto the kitchen table. I can barely see without my glasses, but I made out a black ski mask. Clever, Jim! I could get into the game too.

"Who are you? What do you want?" I screamed.

"Shut up!" Jim yelled, his voice muffled by the black wool.

He clamped his hand over my mouth again, yanked open my robe and roughly squeezed my bare boobs. It had been so long since Jim had groped my tits like this—like he wanted to rip them off. My body jerked and arched in spite of my efforts to control it. I wanted his cock in me now. But giving in would spoil the game.

I bit his hand—maybe a little too hard. Furious, he grabbed my wet, soapy hair and pulled me to the floor, bringing me

eye level with the bulge in his jeans. He unzipped and pulled out his cock. Wrapping his hand around the back of my head, he squeezed with thumb and forefinger to pry my jaw open and stuffed his prick in until it hit the roof of my mouth. Bitter droplets of precum trickled down the back of my throat, and tears sprung into my eyes as I gagged on the mass of flesh.

I tossed my head back and forth to eject his dick. This was my hardest acting job, because I love to suck cock, especially Jim's sweet meat. The feel of the tender skin against my lips, the curve of the rock-hard head against my tongue, never fail to set my pussy gushing. Luckily, I didn't have to try too hard to spit his prong out, because he got a tighter grip on my hair to keep my head still and forced his prick in deeper with each forward thrust.

I tried to keep my mouth a frozen "O," but I couldn't help myself—I sucked hungrily, curling my tongue around the shaft and pulling on the skin with my lips. He threw his head back and groaned.

"You like it, don't you, cocksucker?"

"Nnnnoohhh!" I hummed frantically from the back of my cock-jammed throat.

"Well, we're not going to do anything you like."

He popped his dick out of my mouth.

"No, no!" I yelled as he grabbed my arms, pulled me to my feet and slammed me back down on the table. He looped his fingers in my panties and tore them open. I thought my pussy would explode.

My sopping cunt lips easily gave way to his furious prick. I involuntarily reached up to pull him closer, but I stopped myself in time and pretended to push him away instead. He pinned my wrists down and drove his cock in harder, up to the hilt. My head knocked on the tabletop with each savage, cunt-splitting thrust, and pussy juice spilled out the sides of his prick. I was dizzy with heavenly pain. Our fucking hadn't been this frenzied in years.

Too soon, he pulled his prong out, but I couldn't protest and ruin the game. I braced myself for a blast of hot jizz, hopefully in my face.

Instead, Jim flipped me around and pushed me down face-first. He soaked his fingers in my sopping cunt, then used the goo to paint my bung.

Uh-oh, I thought. *This might not be a good idea*. But before I could warn Jim that I hadn't taken a dump that day, he grabbed a fistful of hair and rammed his prick into my slickened rosebud. His dick felt like an arm going into my ass. With each flesh-tearing slam, my swollen clit

My swollen clit banged against the table edge until it reached its breaking point. My body shook and went limp, and he pulled his prick out of my loosened asshole and fired away.

banged against the table edge until it reached its breaking point. My body shook and went limp, and he pulled his prick out of my loosened asshole and fired away. His hot load trickled into my crack.

He let go of my hair and ran out the back door. That was Jim. A thing wasn't worth doing if you didn't do it right.

I lay on the table exhausted while the heat in my pussy and asshole cooled to a warm, happy glow. Finally, I reluctantly got up and headed for the bathroom to soothe my aching body in the tub. Not five minutes after I'd settled in the steamy water, Jim knocked on the door.

"I'm home," he said, peeking in. "Sorry I'm so late."

"You should be late more often," I giggled.

Jim looked puzzled. "Thanks, honey," he smirked, unzipping in front of the toilet. "I'm always happy to see you too."

My stomach lurched. *That black mask*—I stared at Jim's pissing dick and saw with relief the telltale ring of butt scum around the shaft.

"Now hurry up," said Jim, casually wiping the evidence away. "*Frasier's* on in five minutes." He shut the door.

Jim's a better actor than I thought.

Hawthorne, New Jersey

SCHOOL DAZE

I taught biology at a small suburban high school for about 14 years. Unlike the other teachers I'd overhear talking, I was never the recipient of a student crush. Not that I expected one—I'm rather overweight, with hair thinning on top so that it looks, as my ex-wife often said, "like grayish-brown fungus growing on a wheel of Gouda cheese." Also unlike these teachers, I wasn't driven mad with lust at the sight of pert new breasts bouncing by my desk or tight young bottoms swaying in front of the blackboard. Until last semester, when I taught DeeDee in Biology I.

DeeDee wasn't the prettiest girl in the school, and she hid her blossoming body in baggy jeans and fuzzy, oversized sweaters. But she had a plump-lipped, expressive mouth that curled into a scornful sneer when she was bored, which seemed to be always. She sat in the front row of my class, but never deigned to look at me and possibly appear as though she were paying attention. For 40 minutes each day, she sat with her chin on her chest, staring out the window from under her straggly bangs, her limbs splayed like open petals.

Every day was pure torture for me. But I didn't let my feelings get in the way of

my profession. When I gave her a C for the semester, it wrecked her 4.0 GPA, but it couldn't be helped—she had slashed the fetal pig's spinal cord to ribbons when attempting to remove its brain for the final exam. On the last day of school, alone in my classroom at the end of the day, I looked up to see DeeDee staring at me. It was the first time I'd seen her eyes, which were an angry green. I cleared my suddenly parched throat. She wanted to get into an Ivy League writing program after graduation, she said, waving her report card in my face. How could she now? I refused to change her grade. Her face darkened, and she stomped out.

Summer was a mercy. DeeDee went to Europe for ten weeks as her 18th birthday present. There was no chance of accidentally running into her. Come fall, I thought, it would be easy to ignore her. She wouldn't be near the science labs. She'd only taken Bio I because it was required.

On the first day of school, I walked into my last-period class, Bio II, and my eyes went directly front and center. There sat DeeDee. She'd traded in her magenta rat's nest and clunky boots for a chic blond bob and T-strap pumps, but something else was different. She didn't take her eyes off me for the entire class. She hung on every word, head cocked and moist lips parted

in apparent fascination. When the final bell rang, the students quickly filed out, but DeeDee remained seated.

"I'm awfully surprised to see you here, Miss Hayes," I said gruffly, in an effort to hide the quavering in my voice.

"I met a lot of writers, or people who said they were writers, in Paris this summer," she told me. "They were dicks."

The nasty word shot right to my member. I squeezed my thighs together.

"I've decided to study science instead," she said, rising. "But I'll need your help." Her rayon wrap skirt fell open above her knee, revealing a tantalizing glimpse of down-covered thigh. "I can grasp the information, but I just can't handle the instruments—if you'll recall what I did to that poor pig's head. In fact," she said, leaning over my desk until her snowy breasts peeked out above the top button of her blouse, "can you show me how to remove the brain right now?"

"Well I...."

"Please?" Her terrible lips climbed up at the corners into—it had to be a smile.

I nodded and went into the supply room, grateful to get out from under her stare. The jars of formaldehyde-preserved pigs were on the top shelf, above the worms, frogs and cats. When I climbed

Hot Letters

(continued from page 39)

She tore open her blouse, revealing her achingly tender breasts, and spread her legs. Her sweet shaven pussy gleamed pink and shiny as a hard candy.

the stepladder to get one down, I felt arms wrap around my thighs and hot lips press between my ass cheeks. Startled, I fell. The pig jar smashed on the floor, filling the tiny room with pungent fumes.

"I lied!" cried DeeDee, straddling my chest. She had no panties on. "I don't care about biology. You're all I could think about all summer long." Steamy juice from DeeDee's cunt soaked through my shirt.

"I want to show you what else I learned in Paris," she declared, hopping off my chest and unzipping my fly.

I couldn't protest. I was lightheaded from the formaldehyde and the touch of DeeDee's flickering tongue against my penis, which despite long neglect was rapidly rising to the occasion.

DeeDee wrapped her baby fist around the base of my cock to hold it still while she licked the underside. She slowly drew her tongue up to the head, her eyes glued to mine, and licked around the rim in luxurious circles. Her other hand massaged my testicles, which quivered under the weight of stored-up semen. My cock would burst if she held it in that mouth.

As if she'd read my mind, she lifted her head and speared it on my member, diving down until her lips grazed my pubic hair. Up her head went again until just the head of my cock rested between her lips. She noisily sucked the cap once, twice, three times, then down again, engulfing my prick and tickling the roof of her mouth with the sticky tip.

"I'm going to come!" I gasped.

"No!" she exclaimed, abruptly pulling her head away. A string of pinkish spittle clung from my pisshole to her lips. She wiped it away with the back of her hand. "You can't yet," she ordered, wild-eyed.

She tore open her blouse, revealing her achingly tender breasts, and spread her legs. Her sweet shaven pussy gleamed pink and shiny as a hard candy. I prayed that I could get a few thrusts into it before spilling my urgently bubbling seed.

"Here!" She thrust a pig fetus into my hands before I could enter her. "Fuck me with the pig."

My mouth dropped open, but her eyes pleaded. She was impossible to refuse. I eased the piglet's tiny snout between her cunt lips and into her glistening hole.

"Yesss," she hissed, finally closing her relentless eyes and jerking her inflamed clitoris against the piggy nose. DeeDee flopped frantically, until her head lolled back and she heaved a huge sigh. Stretching her arms out to me, she begged, "Now fuck me for real."

I slipped my cock into her pussy, soggy with chemicals and her sex oils. Her tight

cunt walls eased apart and caressed my prick. After just three short strokes, it was impossible for me to hold out. I started to pull back, but she grabbed my arms and held me in place.

"Come inside me," she whispered.

I had no choice. I could barely hold my body upright as wave after dizzying wave of sperm pumped into her delicate loins. When the last drop dribbled out, she roughly pushed me aside.

"Thank you very much," she sneered, suddenly cold. She pulled a pair of panties

out of her bag. "I wouldn't want to lose any of *this*," she said, slipping them on. "Now if you'll excuse me, I have a gynecologist appointment. I sure wouldn't want to be you when the principal sees my medical report."

I wouldn't want to be me any time.

Shoot Like a Pro

How to Get the Biggest Bang Out of Your Video Cum-Corder

by James Underhill

Newlywed Toni S. of Greenwich, Connecticut, looks pretty as a picture. She's standing stark naked in the tub, her hair tied in a wet ponytail, water drops condensing on her bath-oiled boobs like rain on the Simonized hood of a car. Toni holds a can of shaving gel in one hand and a razor in the other.

"First, you gotta soak your bush," she announces to her unseen audience, "and soap yourself reee-al good...."

As Toni instructs, she squirts a dollop of green gel onto her fingertips, spreads her shapely thighs and lathers carefully. The camera zooms in while she cautions, "Use a fresh blade and plenty of warm water...." There's a tiny glitch in the picture. Suddenly, Toni's back in a long, low shot. She's cocked one leg onto the rim of the tub and, with her hips thrust forward, is in the midst of shaving her cunt.

"Remember—just the lips, and careful not to nick yourself...." The camcorder zooms in again for a close-up, its mic picking up the shhh-shhh of the blade. Plump pussy lips emerge smooth and hairless below her wet, soapy mound.

When she finishes, Toni squats and scoops water onto her crotch. "Mmmm—warm water feels good on a fresh-shaved pussy!" The camera pulls back in time to catch her licking her middle finger and placing it on her bare notch. Toni closes her eyes and plays for a few moments. She looks into the camera again, rises, blots her blond-tufted mound with a towel, then fluffs it up with her finger.

"Remember—the idea is that when you're standing up, from the front you should still have a nice bush, like this." She frames her trimmed thatch between thumbs and forefingers.

"But when you take in your man's bii-ig, juicy dick," she says, turning and bending, "you should be all smooth and naked for him, like this!" Toni pulls her cunt open.

The camera zooms, loses focus and finally locks on the glistening lips of Toni's pink, clean-cut snapper. The picture bobbles all over the map. Toni giggles. Another glitch...and now Toni is moaning. Her quivering buttocks fill most of the frame.

They are slap-slap-slapping against a dark, hairy belly; and at the bottommost part of the frame, a stiff penis glides in and out, in and out....

Is it art? Well, maybe not. One thing's for sure though: Toni and her camcorder-and-cock-wielding husband, Ron, have just used technology to produce some wonderfully functional footage. But making home-brewed hard-core isn't quite as simple as it looks. Select the right gear, and it'll be a breeze to lay down superior fuck footage. Select the wrong stuff, regardless of how much one spends, and

the results will suck—and not in a good way. The following is a laundry list of what the aspiring video pornographer needs in a camcorder.

Format. Camcorders come in three incompatible formats. About 25% of all camcorders sold in the U.S. are full-size VHS models: big, bulky jobs that use the same tapes as a VCR. Unless in the hands of King and Queen Kong, they are too unwieldy for taping horny high jinks.

Better suited for puerile purposes are the two ultra-compact formats, VHS-C and 8mm, which together account for 75% of domestic sales. Both are made to fit in one hand and weigh about two pounds, and both can be plugged into a TV for playback.

One of the differences between the two compact formats is that the miniature tapes made in a VHS-C model can also be popped into a special adapter and played on any VCR. Convenient, right? Wrong! When it comes to tawdry taping, it's better to use a format that's hard to play back: 8mm tapes are less likely to be accidentally viewed by the baby-sitter, the kiddies, the girlfriend's parents, the in-laws, the wife-or-husband-or-fiancee-or—pick a nightmare.

Both VHS-C and 8mm cameras also come in "Super-video" versions, called S-VHS-C and Hi8, respectively. Since Super-video models deliver a higher-resolution picture, videographers who want to record every zit on their beloved's butt may wish to choose, for example, an Hi8 model instead of a standard 8mm one. But most humans look better in low-resolution. Additionally, Hi8 models tend to function poorly in low-light shooting situations. There's the price to consider: Hi8 models can cost between \$1,200 and \$1,500, while a good 8mm machine with a nice range of features will go for around \$800. That's a pretty hefty price difference for not a lot of performance difference.

Once a format is chosen, there are specific features the camcorder should have.

Flying-erase heads. Any time the camera is stopped and then started again in an amateur video, sizzles of picture noise called "glitches" will occur. Glitches in a home-brewed sex tape are unlikely to interfere with ejaculation in any but the most sensitive viewers, but they can be annoying. Flying-erase heads do away with them by electronically allowing for smooth, clean transitions from scene to scene. This feature is found on all 8mm camcorders, and is one of the major benefits of the format.

Low-light shooting ability. Of all the features available on camcorders, this is the most significant, after light weight and small size, for creating a video record of the primal act. The less ambient light a camcorder needs to shoot effectively, the more flexible it will be as a sex-taping tool.

Low-light ability is rated in "lux," with lower numbers being the best. For example, a camcorder rated at 1-lux or less, such as the Sony CCD-TR33 (suggested list price \$799) will be able to produce a fairly decent picture in less light than is needed for reading, and should even produce a viewable, moodily lit image if the only light in the room comes from a few incense candles and the soft glow of a water pipe.

Restrictive attitudes in the name of so-called morality increasingly take the fun out of fucking. Through good, old-fashioned homespun knowledge, hearsay, scientific facts and outright lies, this series strives to spread the word that rubbing uglies is a beautiful experience.

Sex Play

Does the would-be starlet really want to see what she looks like with a cock in her mouth while she's actually got the cock in her mouth? Well, possibly she does.

However, lux ratings are notoriously inaccurate, and the most a camcorder's rating will tell is how it compares to other models of the same brand: The only way to tell how a camera from one brand compares to another brand's low-lux model, is to take them into the video-store rest room and give them a whirl.

Electronic zoom is offered on most camcorders. This allows the user to cruise smoothly in and out on the subject—an important feature when the subject is the old in-and-out. A big "zoom ratio"—the ratio of the maximum to minimum focal length of the lens—is generally best, with the 12x zoom of the Hitachi VM-E58A (average retail price \$940) being a good number to aim for. Digital zooms can boost the ratio to 24x or beyond, but they produce lousier pictures than electronic zooms. Besides, the only boning one would need to zoom in on from that far away would be the neighbors', and taping that is illegal.

Close-up focus is also offered on most camcorders, and is important to insist upon. Many camcorders can focus within inches of their subject, which is ideal for those supertight shots that will be so much fun to contemplate in replay, slow-mo and freeze frame.

Image stabilization is another desirable virtue of the carnal camcorder. The very features that make 8mm camcorders great in bed—their small size and weight—also make them hard to keep

steady. They will, for example, jiggle with every one of the videographer's thrusts to the fuck-socket, resulting in a wobbling image. Watching the results of such jiggling could induce nausea, even if the images themselves are not inherently sickening. Image stabilization, either mechanical or electronic, compensates for moderate camera movement and keeps the recorded picture steady. A compact camcorder with this feature, such as the Sony CCD-TR83 (suggested list price \$999), can function more intimately, as an active member of the party.

Remote control. Then again, there are times when it might be highly advisable to set the camcorder up at a discreet distance from the action—action involving the exuberant expulsion of certain liquids, for example. In such cases, a burning question arises: When everyone's ready to go, who's going to turn on the fucking camcorder? It's not a problem if the model in use is one like the RCA PRO845 (average retail price \$685), which comes with a hand-held remote control. All but the most basic 8mm camcorders offer remote control either as a pay-extra option or as part of the package. Either way, it's a feature worth having.

Built-in monitor. This is the coolest feature of the new wave of camcorders. Models such as the Sharp Viewcam VL-E36U (average retail price \$860) and the Sony Handycam Vision line (sug-

gested list prices \$899 to \$1,899) actually have little speakers and three- or four-inch video monitors built into the camcorder. These allow the user to play back tapes right on the spot, wherever that spot may be: Imagine clanking groins in the pickup, for example, and immediately afterward being able to watch the instant replay.

Better yet, the monitors on these models can be rotated; so the user can hold the camcorder at arm's length—say, down at point of contact level—and still clearly see the picture being recorded. Best of all, the monitors can be flipped completely around, so both videographer and assistant can see what they're doing while they're doing it. But while this function (Sharp Electronics delicately calls it the "self-taping feature") can be quite enjoyably kinky, the amateur porn producer should use it only after having carefully considered the following question: Does the would-be starlet really want to see what she looks like with a cock in her mouth while she's actually got the cock in her mouth? Well, possibly she does. Then again, possibly she does not. The see-while-doing option should be exercised judiciously.

Once all of the desired features are in place, it's important to get the proper shooting technique down. Video, unlike film or photography, is a forgiving medium. After all, if one fucks up while fuck-taping, one can simply rewind and tape over the goofs. But the following three tips should help the rankest amateur get it right the first time.

Frame carefully. No camcorder on earth can compensate for a poorly framed picture: breasts lopped off at the nipples, a snatch hanging out of the frame, a pecker poking out of the picture. So use that viewfinder. The basic formula is that in a medium shot (full body to waist up), the head should fill the top third of the frame—even if the head is full of dick.

Edit in the camera. Don't be afraid to turn the camcorder off for a while. It's easy to labor under the delusion that every thrust you make is pure video gold. It isn't. To produce tapes of high quality, the video porn maker must learn to not overuse the zoom feature—which makes viewers dizzy—and instead simply shut down, re-frame the next shot and roll tape when the next shot is set.

Involve the camcorder in the action. Compact camcorders are lightweight; they fit in one hand. They can easily become the third member of a ménage à trois, especially models with built-in monitors. Hand the camera back and forth, swoop down for a dick's eye view of the action. The possibilities of this approach are endless, and the results can be magnificent in the replay. Even if the final tape is crude, the viewer will have the feeling of being there. And when the subject of a tape is fucking and sucking, isn't "there" where everybody wants to be? 🍆

"Your husband could develop severe prostate problems if you don't suck him off twice a day."

Molester

I cover my head in clothes, to stifle the sound, and I find them. Underpants. White. Pink bows. Spot of yellow. Fear. Shock. Must dispose of these, somewhere far away.

Chandler Ross committed suicide by hanging earlier this year, at the age of 39. The act was ritualistic, eroticized and preserved on videotape. Ross's sister has made available to HUSTLER the daily journals of her brother. Though she hopes that revealing his inner struggles might urge those in similar straits to seek help, she insists that Chandler's privacy, and the privacy of her family, be maintained. In accordance with her wishes, many details, especially names, have been altered in these excerpts.

We do not condone what Chandler did while he was alive. We can't really say we're sorry that he's dead, but we're pretty sure that his story should be told.

Friday, April 1, 1994: It's Friday night and April Fool's. The past 16 hours have been one extended joke. A new man on the condo project. Name is Stanton. Family photos on his desk top, directly across from mine. The wife, of little or no interest. Two daughters, five and seven. On a picnic, in sun suits. Pretty girls. Will cause some man some heartache someday. The photos are perfectly within company guidelines, but distracting. Stanton has difficulty concentrating. Another letter from Mother waiting at home. Into the trash. Will not

drink tonight. Must not drink again.

Sunday, April 17, 1994: Everything is my fault. I don't want to do it anymore. But I think about it. I recognize the risks, the potential ruin to my career, the shame and humiliation hanging over myself and my family. So far, I've never been caught. Probably I will not get into trouble. Granted, my actions might cause a negative impression, but children heal quickly. They forget. What, really, is wrong with one person touching another?

Tuesday, May 3, 1994: Trouble at work. Office structure is in rapid decay. Jewish project leader. Black man on the team. Family man Stanton consumed with thoughts of his two little girls. How much can I be expected to carry?

Saturday, May 21, 1994: Mother has been here again. Why does she make the trip? She knocks, she peeks in the blinds. All very calm at first. I am not coming out. I know she is waiting for me. Very still, like so many years ago, in the closet. I breathe too loudly. She is kicking, hammering my door. The bolts are reinforced; she can do no harm. She is insane. My name at the top of her lungs. I cannot hear my own breathing. I cover my head in clothes, to stifle the sound, and I find them. Underpants. White. Pink bows. Spot of yellow. Fear. Shock. Two

memories. A child in each memory. Me in each memory. Once a little boy; once a big man. Both times, Mother outside having her fit. White fabric and pink bows. Must dispose of these, somewhere far away. No more noise from Mother outside, finally. I wait to be sure. She is gone. I throw away the note pinned to my door. The underpants will go next.

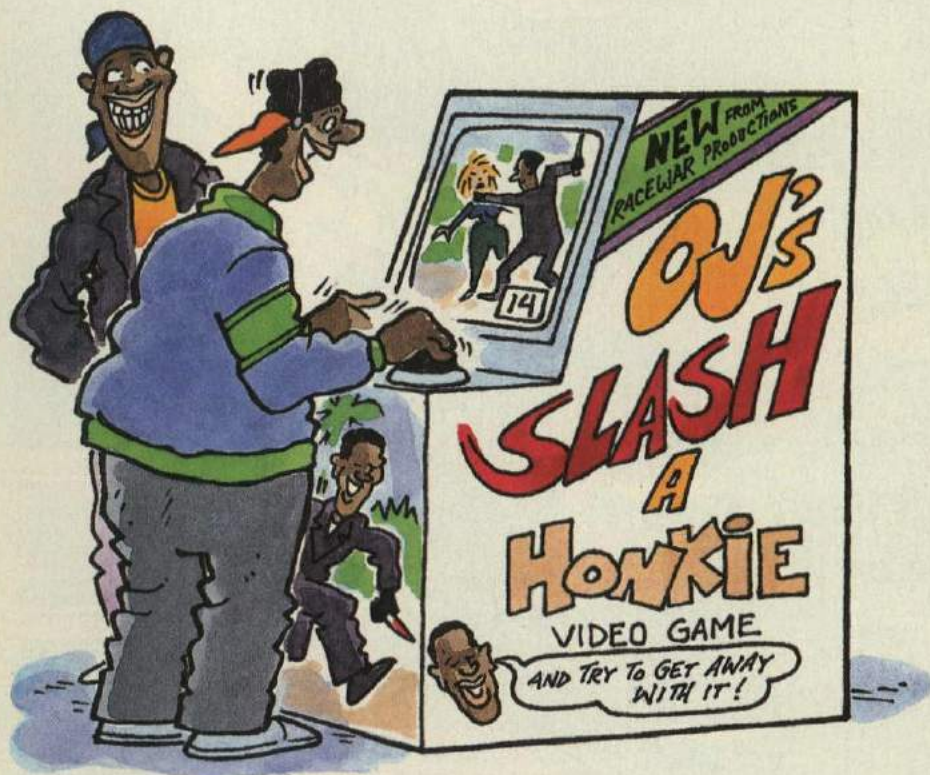

Thursday, May 26, 1994: More work stress. The black male has no head for details. The job is in blueprint—it's all details. The lavatory, for instance, has three urinals and two stalls. If the stalls are full, I will use an end urinal. If anyone else arrives, he should take the opposite end urinal. The black male cannot grasp details. He stands close to me. We nod; our eyes meet. He doesn't say anything, on purpose. He thinks that there is no need to say anything, that our differences are too obvious to mention. Some people have felt that I was big.

Sunday, June 12, 1994: Two drinks tonight. No real problem. Not craving any now. Seemed to help. Phone message from Gina [Ross's sister]. Why don't I ever visit? She has those kids. Blessing and a curse. I feel up to returning her call. Perhaps tomorrow.

Tuesday, June 14, 1994: Under the weather, and showing it all day at work. The Jew quick to pick up on my vulnerability. Family man Stanton and his wry smile. The nigger is hung over every day. What's he got to gloat about? I know what he thinks he's got to gloat about. Gina on the phone last night. I recall some of it. My bourbon is finished. I'd intended the bottle to last. Mother is ready to talk. She wants to forgive and heal. Gina said other things as well, but my recollection is murky. I hung up and had a fantasy. I woke up sick and soiled. Work. Mother wants a pardon.

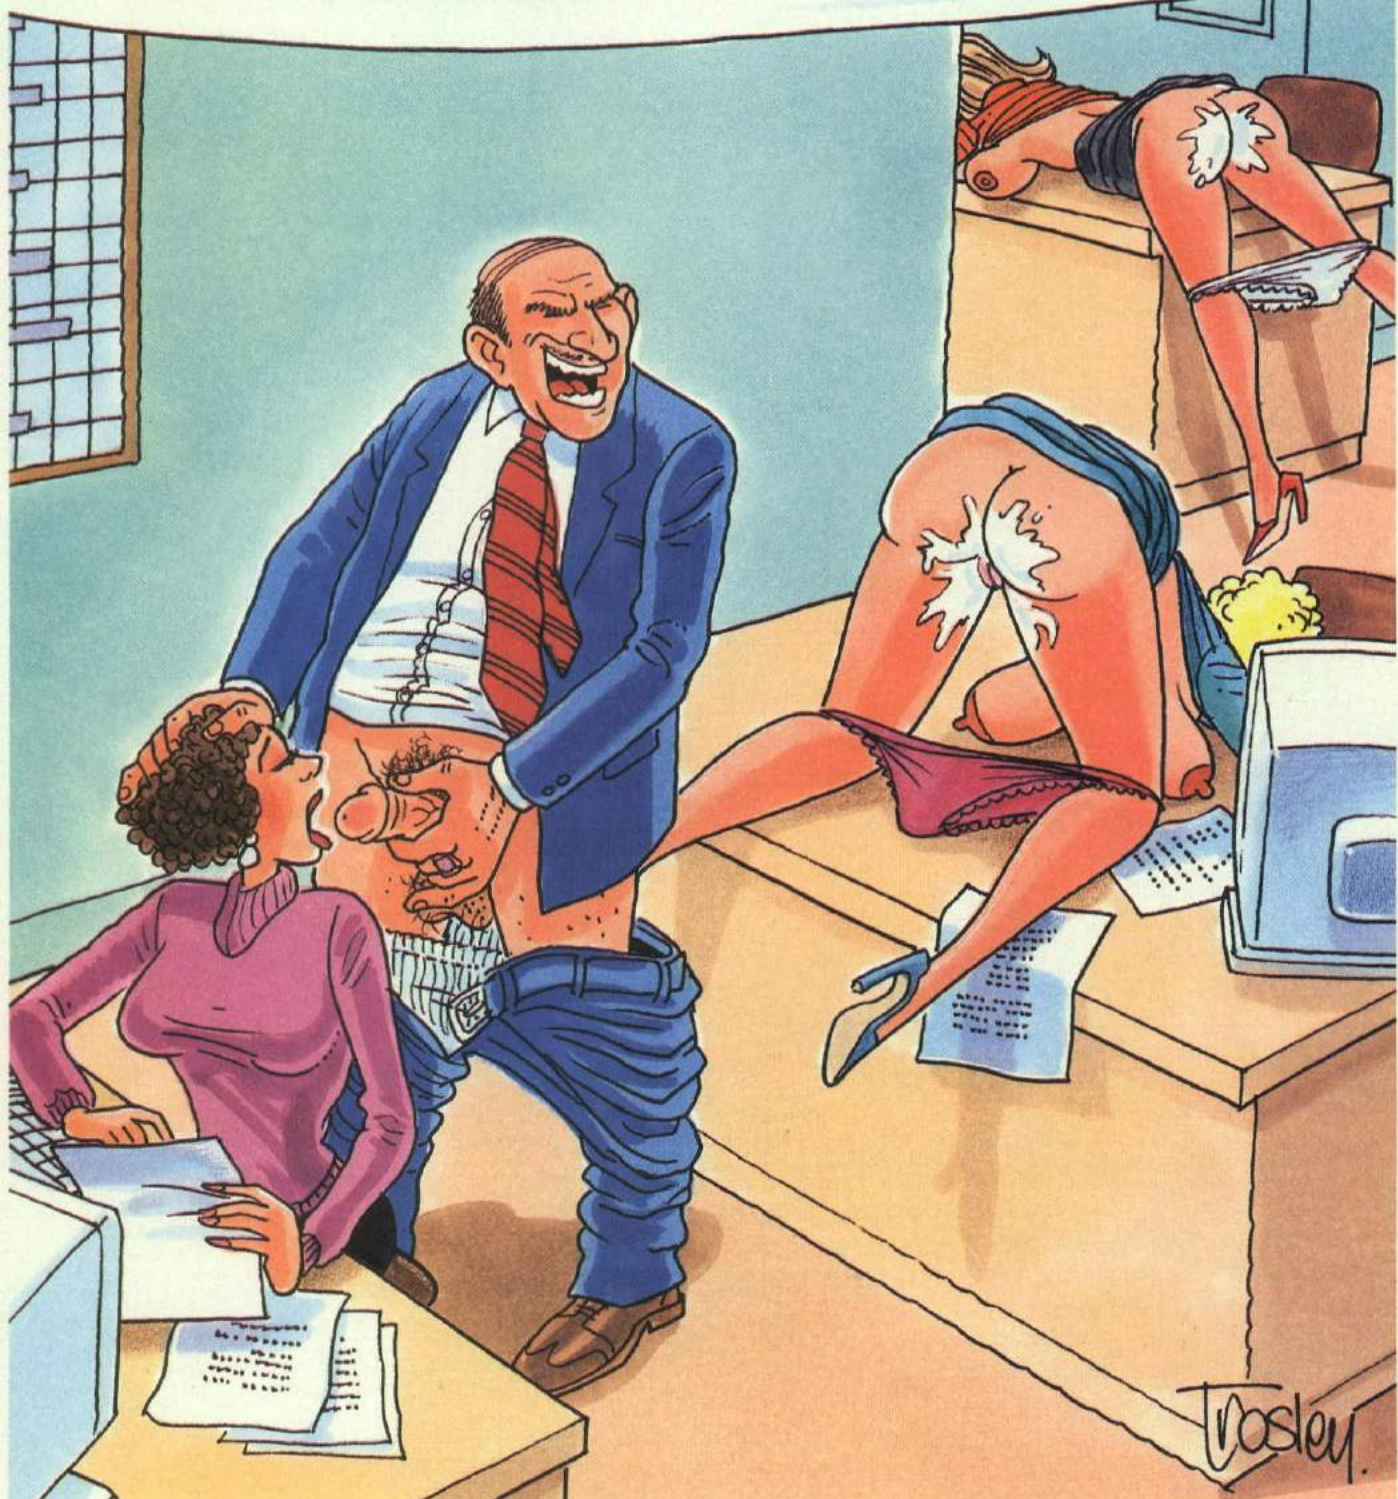

Monday, July 4, 1994: A new girl has moved in. Actually, she's been in the complex since May. I felt best not to mention her. Didn't want to insinuate a deeper connection where there might be nothing. She lives in the apartment directly facing mine, across the courtyard. On weekends and evenings, I see her in the pool with an older man, about ten years younger than I. He must be her father, but her actions toward him don't indicate a family relationship. She is shameless in her demands for physical attention. She splashes and paddles, slick in the water and baby-pink. The older man spreads his hands beneath her wet, near-naked torso. At the contact of his fingers, she writhes like some wild ani-

"Thank you, Miss Strafford...I appreciate that."

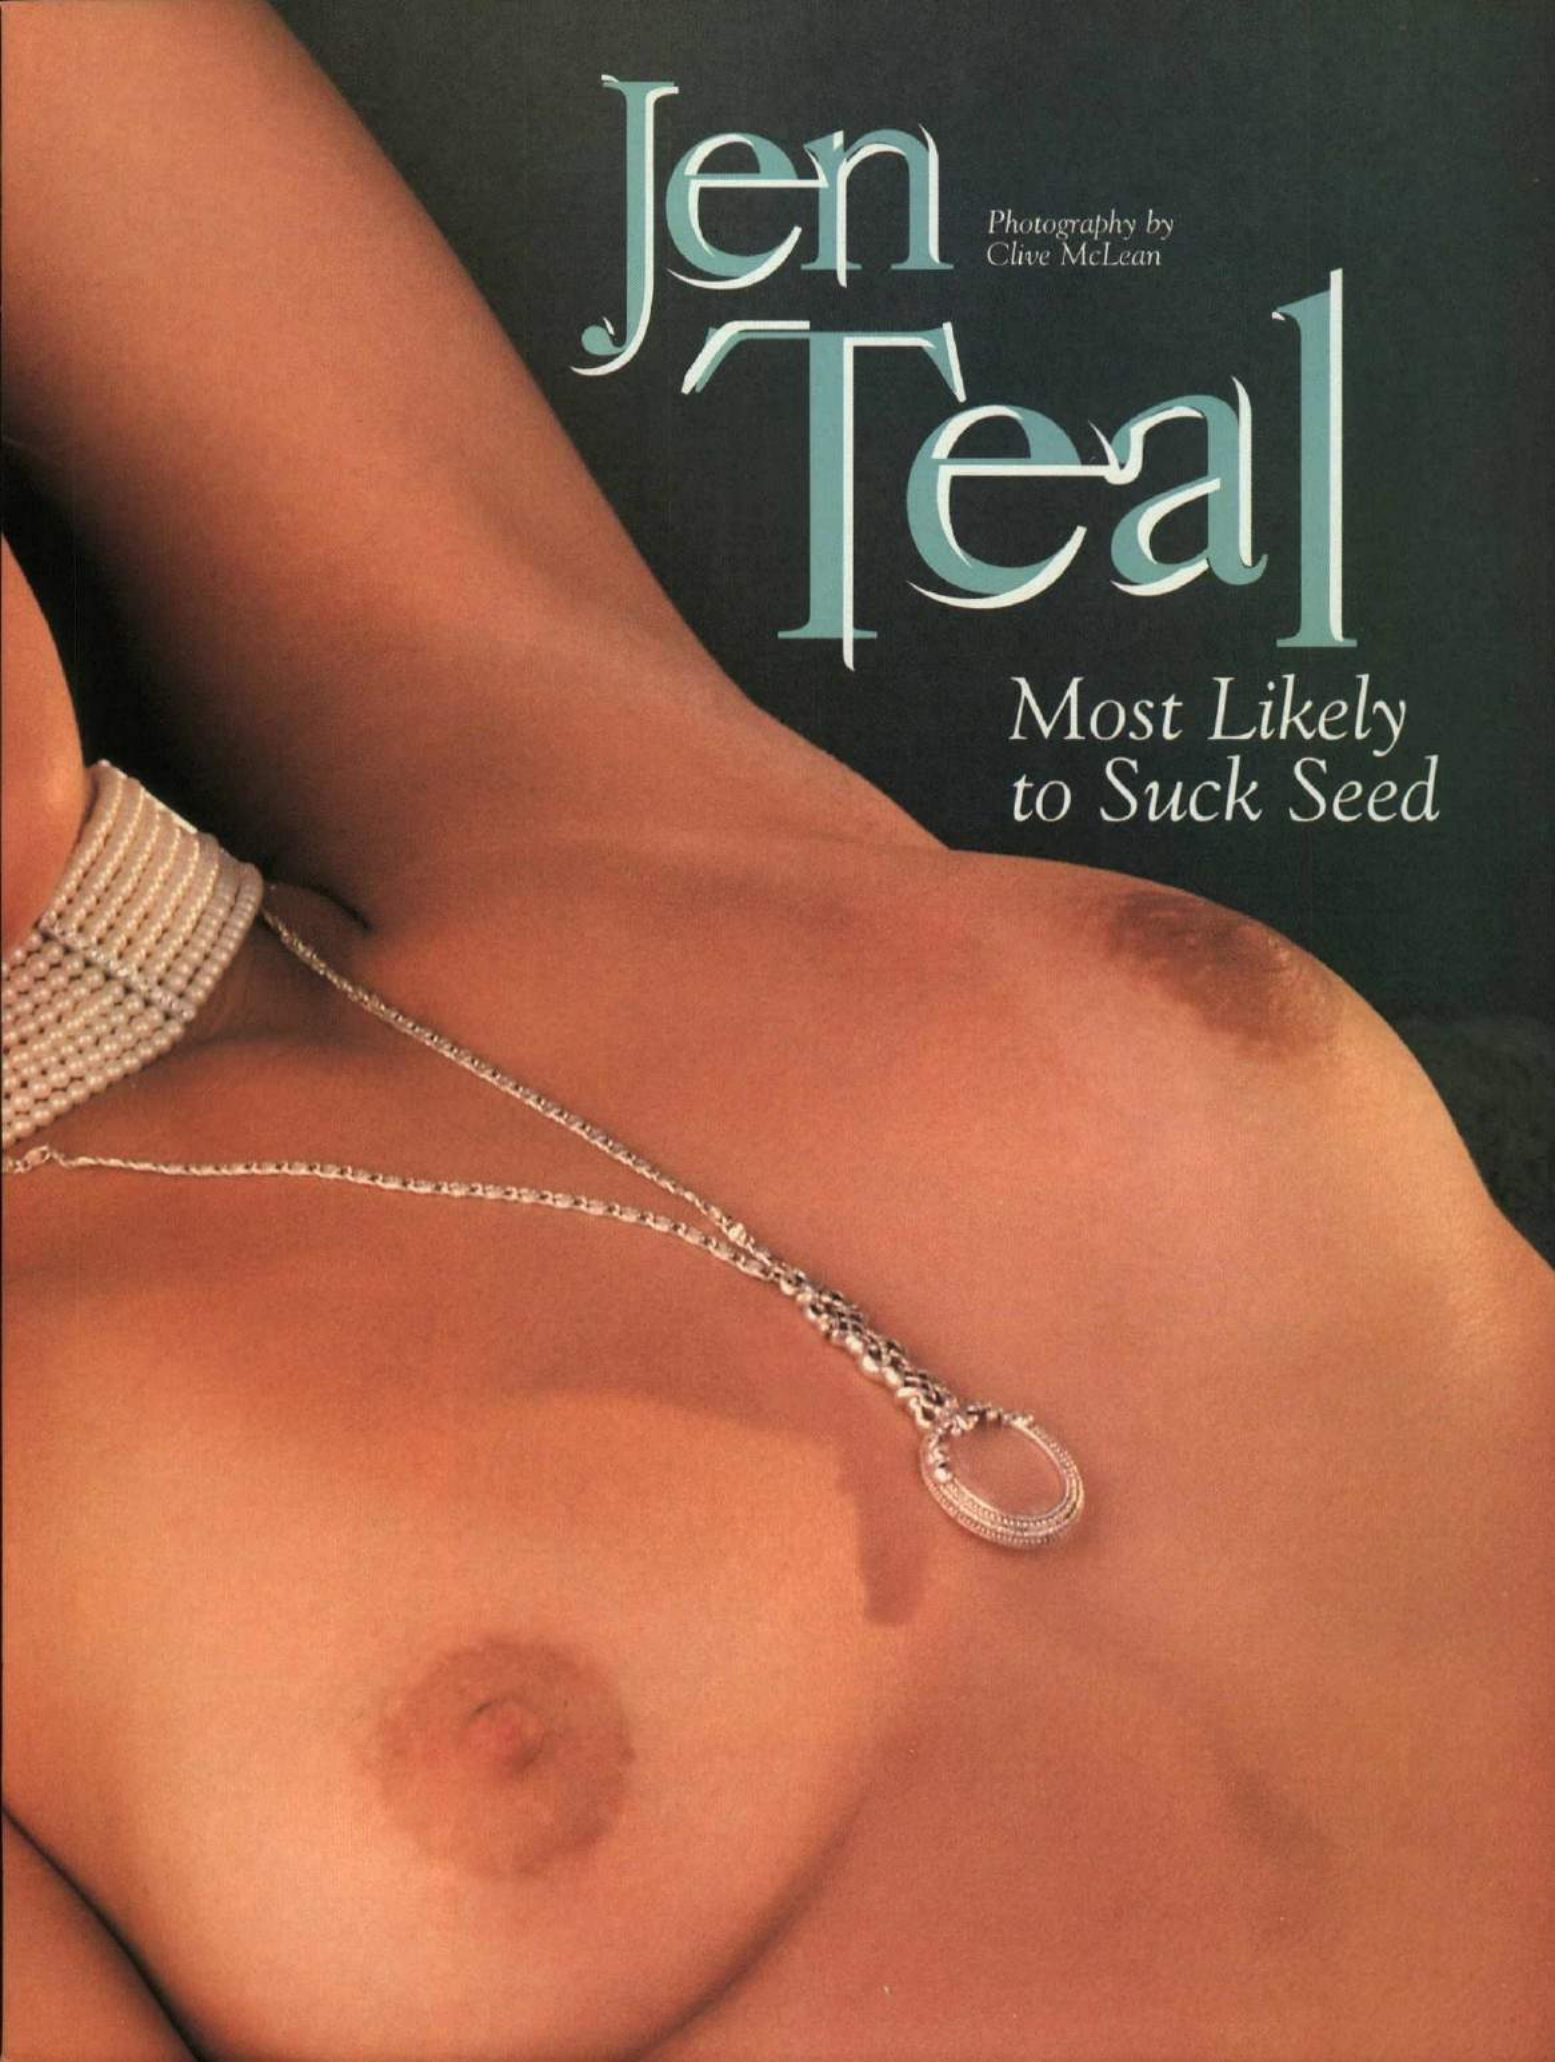

"My senior year in high school, I was voted 'Class Eyes,'" recalls college junior Jen Teal, flashing her prizewinning orbs. "I was so mad! I wanted to win 'Most Popular.'

"My ex-best friend, Cindy, won instead," Jen Teal says bitterly. "And, boy, did she campaign for it! That hosebag ate cocks like they were peanuts. She sucked down enough dick paste to wallpaper the Astrodome. I didn't have a chance against her!"

Jen Teal flushes pink with anger at the still-fresh memory.

"Of course," she concedes, a sly smile curling her lips, "I'd win hands down *now*."

mal. She clutches him with a fervor that is unmistakable and lurid. The poor man is clueless, as is so often the case. The seduction takes place. How many times will I witness this before he wises up?

Thursday, July 7, 1994: It is not my fault. This morning I woke up with cigarette burns behind my knees. I didn't know why or how, but I remembered soon enough. Mail from Gina. Concern that I might be drinking again. Heard it in my voice. Don't I remember the trouble last time? This is Gina's first reference to the trouble since it happened. She would never tell anyone else about it. Patty doesn't seem to remember. She appears to be well-adjusted, at least from the little I've seen of her subsequently. At bedtime, I went out and got a pack of cigarettes, though I do not habitually smoke.

Monday, July 11, 1994: It's on the news again. The story is always the same. Some man. A camp counselor. Has violated the trust of children and parents alike. This man is accused of molesting boys. Pubescent. How can a person let himself go that way? A pattern of behavior that, in retrospect, comes all too clear to the parents. It turns my stomach. I have nothing against gays, in theory. Provided they take responsibility. Should

learn to control and manage their urges.

Friday, July 15, 1994: Work has been a solace. I lose myself in intricacies of wiring plans and ventilation placement. Family man Stanton's glamour shots of the daughters proliferate. Scanty and alluring; they have him under their spell. Stanton invites me, also the black and the Jew, to his house for a weekend cook out. How can I go? He will be showing off his sexpots.

Tuesday, July 19, 1994: The police have been to my home. Because of that bitch in the apartment across the pool. She hasn't been swimming of late. I was simply curious. Concerned. Looking across the way to see that no harm had befallen her. The cop is off-duty, on his own. A friend of the girl's family. Stresses the unofficial nature of his visit. Invites himself in. Looks everywhere. Deceptively casual. Asks about past infractions; must know there is no record. Notices everything. No toys in my apartment. No kid stuff. Nothing childish or infantile. Did I offer candy to the little girl across the way? Doesn't sound like something I would do. He lacks the sophistication to pull up these files. Nothing here to incriminate. My innocence is proof against guilt. The cop tries to be non-threatening. Doesn't want me hurt.

Suggests therapy. Not the first to suggest it. Gives me the card of someone. He leaves, and I hold the card in my mouth. Control my breathing. Underpants are long gone. Nothing fresh since then. If I decline to attend the *suggested* therapist, what will his next move be?

Sunday, July 24, 1994: Feeling low. Self-esteem at a negative integer. Work project completed. Commended. Bonus. Passed over once more for team leader. Other people will always be a mystery. As little as I understand them, they understand me far less. Public perceptions, general attitudes, the law—all would have me punished for thoughts that come uninvited to my mind. Society would have me suffer for conflict that I did not ask to endure. I punish myself more than I can be punished. Do they believe my suffering is less than the suffering of my imaginary victims? I agonize. I have never come in peace.

Thursday, August 4, 1994: Usually, I am okay, but sometimes I remember how lonely I am. I have been this way for a long, long time, almost forever. When Mother divorced, life changed. I imagine more than remember when the family was together. I must have been five. Mother suddenly had new friends. She became busy. For days on end, she would go away. I was left with an aunt and uncle, no blood relation to anyone. They took care of me. Some ways I would have been better off not being taken care of. Marcia, the therapist, wants to hear about that. Telling Marcia will serve no purpose. I have put those years behind me. I want to go forward, not backward. I did not tell Marcia that a policeman had given me her name.

Saturday, August 6, 1994: Saturday is my favorite time to watch television. If I'm away from home, I set my VCR to record my favorite programs. I am inspired by the fresh, undampened curiosity of youth. With videotape, any day or evening can be Saturday morning.

Thursday, August 18, 1994: Everybody has secrets, but not everybody has the strength secrets demand. Family man Stanton's marriage is breaking up. His secret is out. The other woman in Stanton's life is another man. The secret is that homosexuality is Stanton's substitute. The daughters have corrupted him. Women know what they are doing at nine years old. Precocious. They are fully conscious. Family man Stanton is blind.

Tuesday, August 30, 1994: I have decided to move. Already found a new

"So—how's that portrait of mother coming along?"

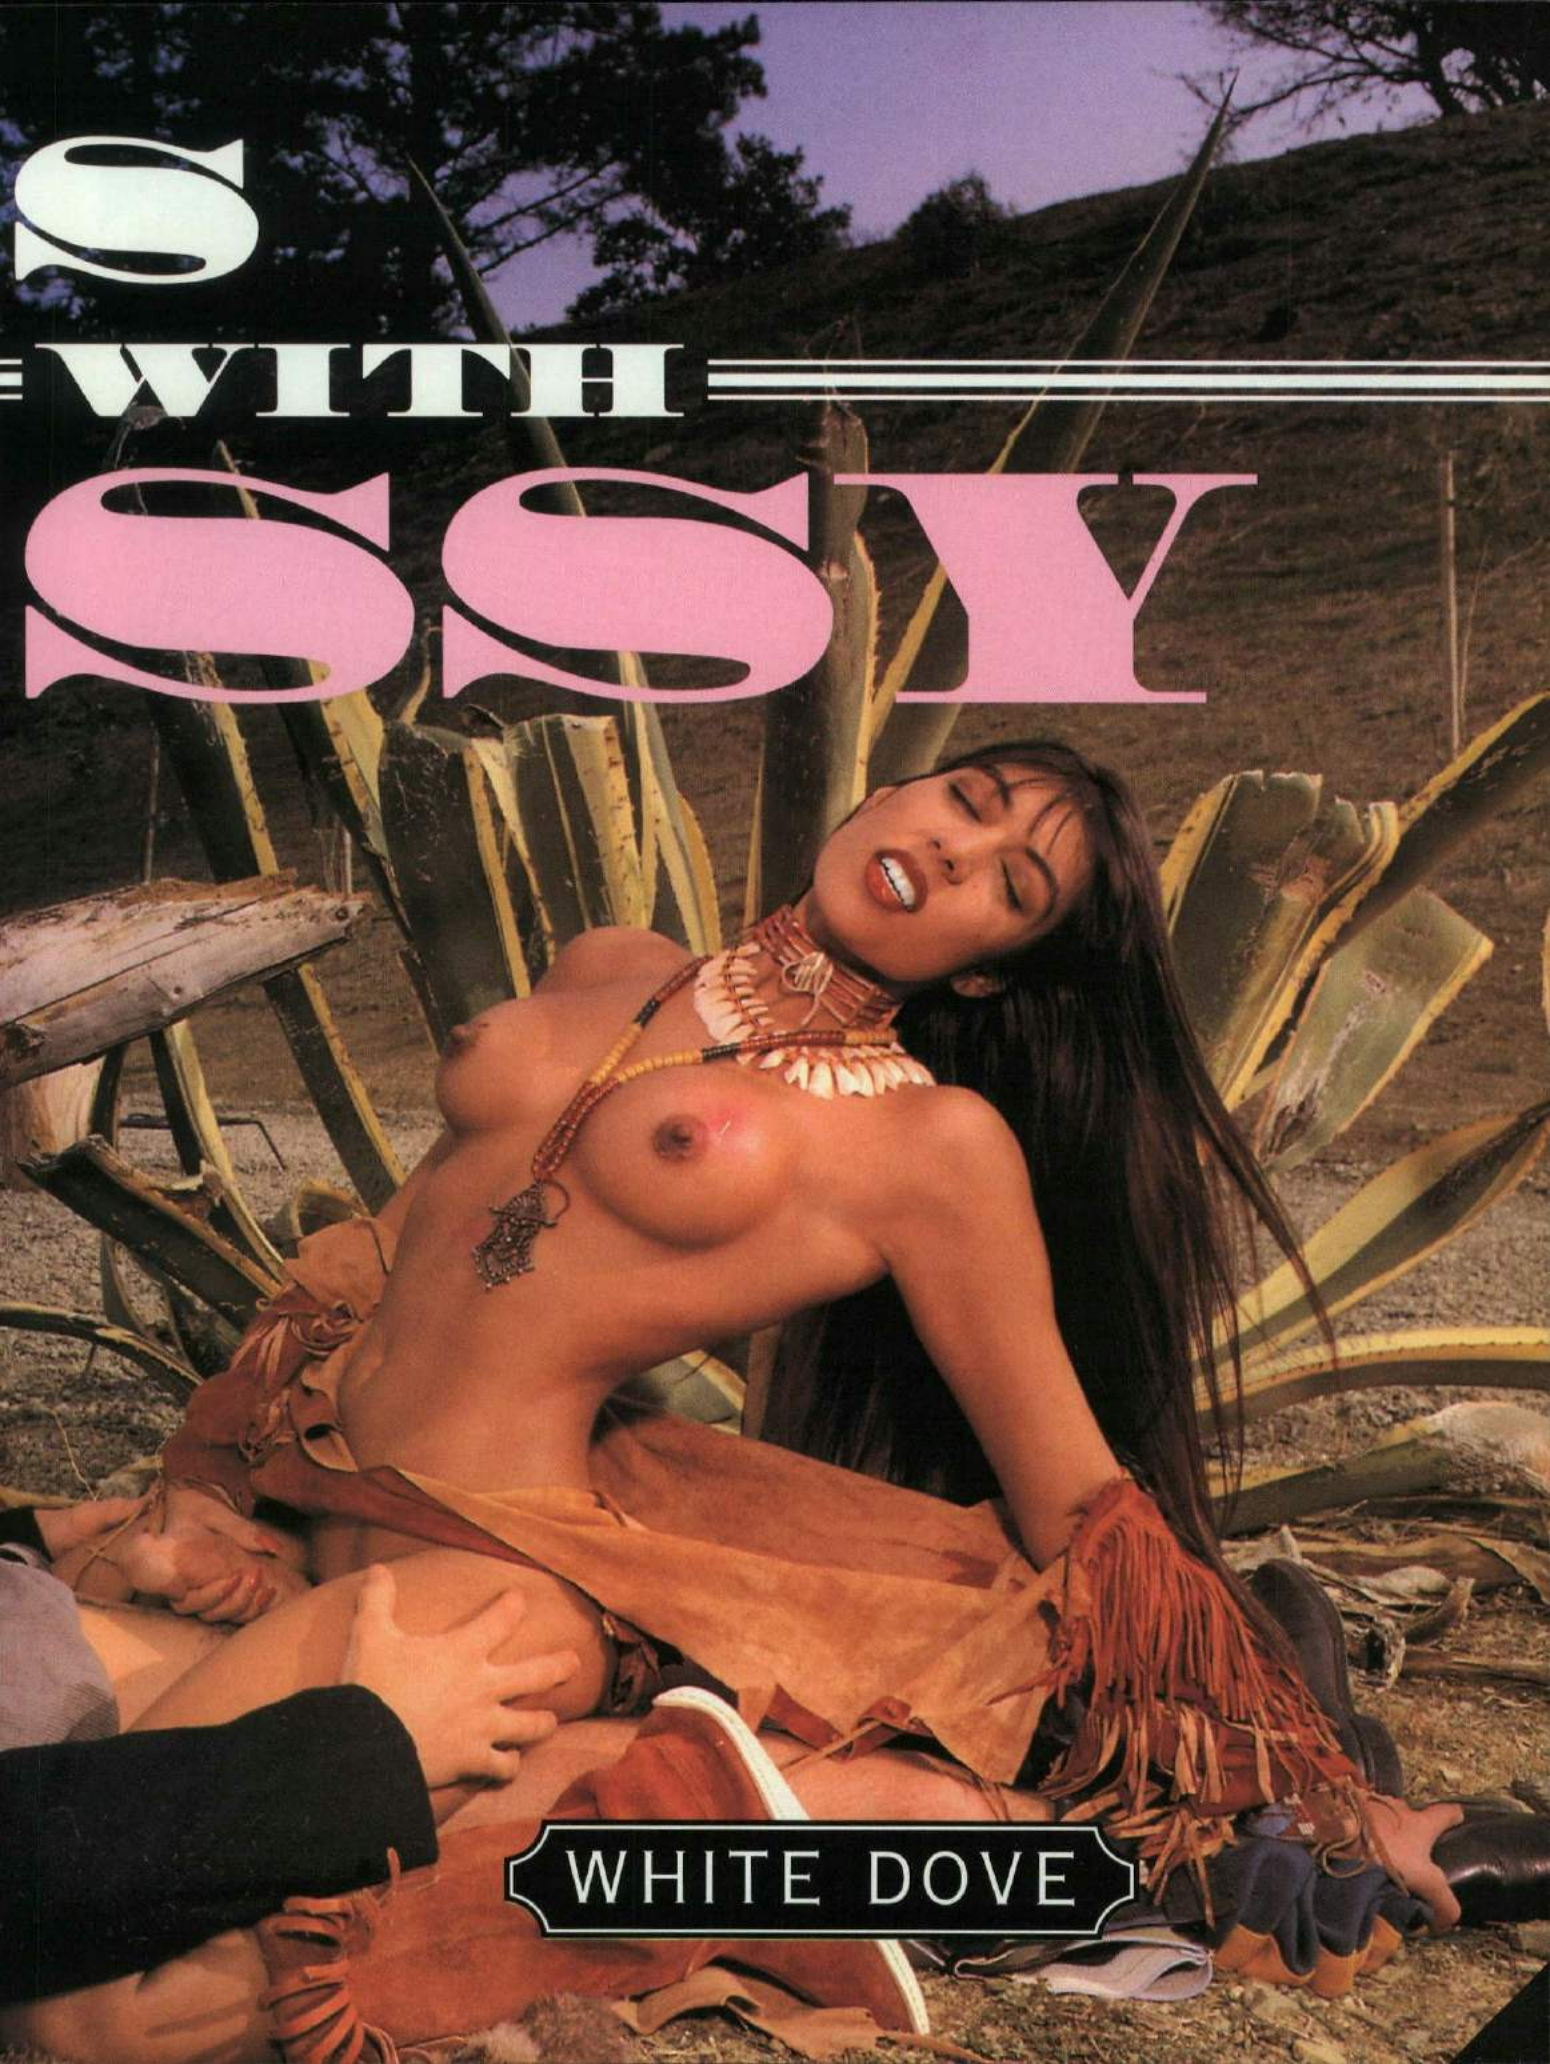

A man with a beard, wearing a black firefighter's helmet and a dark jacket with yellow stripes on the sleeve, is lying on his back on a large, weathered log. He is looking up with his mouth slightly open. In the background, a white teepee stands on a sandy or gravelly ground, with trees visible behind it. The scene is lit with a warm, golden light, suggesting late afternoon or early morning.

U.S. cavalryman Sean has gone AWOL. He's ashamed of the way white men have treated the Indians, and he wants to make amends.

But White Dove has some reservations about opening her tepee to the renegade.

"How do I know you won't fuck me like the rest of your people?" she demands. "I'm not giving up fertile territory for a few lousy beads."

Sean solemnly pulls out his prized possession, as White Dove gasps in awe. One suck on his peace pipe, and she'll gladly take it up the ass for 200 years.

apartment. The woman who lived across the pool was making too much trouble for me. Far more than she was worth. She will not follow me here. This new place has a few single, available young ladies. Gina must not let Mother know where I am.

Saturday, September 10, 1994: Company picnic today. Awkward under best circumstances. Promotes family values. The Jew and the black bring their broods. The requisite softball game. Quizzical concern that I do not drink. Mostly well-behaved children. One vixen, of course. There's always one. In the charge of a school-aged brother. The little slut slips her hand down the front of her pants. Furtive, intermittent clawing at her crotch. She can't be more than five. Already an accomplished exhibitionist. She knows she has my attention. Stanton, without family or boyfriend, plays gung-ho in the infield. Swigs a beer. One of the guys, and how. The game breaks up, and personnel rejoin family alliances. Stanton and I are odd men out. Joined by the token faggot. Now everyone thinks I'm queer.

Tuesday, September 13, 1994: Home from the picnic, a new letter in my box. Gina's handwriting outside the envelope. Let it sit over the weekend. Bought a

very small bottle. Finished it, opened the letter and started reading. You are my son, my only son. I am your mother, and I will always love you. I can help you. Please accept my amends and let me love you until you can love yourself. I love you, my son. It doesn't bother me. Gina has at least kept my address her secret. I must go out and buy some cigarettes.

Thursday, September 15, 1994: Marcia noticed burns on my wrists. I knew I should have canceled our appointment. Marcia was persistent. I told her all about Mother, except the parts that upset me. Marcia feels that I should write Mama a letter. Put my feelings down on paper. Marcia feels it will prove therapeutic. Dear Mama: I now have a job and my own home where I spend my evenings. I understand that alcohol is no longer ruining you. I have met many very nice girls lately, but I can't decide which one to settle down with. As you see, my life has never been better. I thank you in advance for never trying to contact me again. Yours cordially, Chandler Ross.

Saturday, September 24, 1994: I need an outside interest. Perhaps a photography class. Other people have hobbies. Avocations. My work is exacting, but there are levels on which I am not being fulfilled. I have nothing to talk about

with my fellows. Sports. Automobiles. What other topics? Women, fucking them. Sex is special, sacred and private. Its explicit discussion only discomforts me. I become alienated. Marcia asked: "What is your first memory of sexual awareness?" I thought about it. I started thinking about something else. It's not a good memory. Marcia pushed. I did not budge. Our time was up. *Therapist*, I see now, is a combined form of *the rapist*. I am finished consulting Marcia.

Sunday, January 8, 1995: The New Year has seen a new me. Self-reliance is the key to a new freedom. A self-contained unit. On the plan for 90 days. No slip-ups, no trouble. Gina has stopped calling. Family man Stanton fired—a good man destroyed by bad women. Have gone back to the Church. Gets me out of the apartment. With people. Temptation free, although the little sluts play their games even during mass. They can go to Hell. I will not join them there, not anymore.

Thursday, January 19, 1995: Masturbating more than ever in my life. Do not mention it at confession. God sees and knows all, and He forgives. The black male is now team leader. Clueless. Work goes well despite him, not because of him. Secure, comfortable, he now jokes with female support staff. Penis size, masturbation, everything is funny. He calls himself a Christian.

Sunday, January 22, 1995: Prayer and God alone will save me. Must get more involved in church.

Tuesday, January 31, 1995: Drank. Thought it was safe. Circumstances betrayed me. The men, the real men, the men of the church, all believe that something went wrong, but they don't know. Nothing happened. I only thought something might have happened. Nobody can be sure. He was just one boy. The parish needs volunteers; so I volunteered, but I was already drinking. Everything started out okay. Something almost happened. I came to in the car. Parked God knows where. In the dark. Rain outside. The boy, pressed against the door. Looking at me. Watching me change. He looked like a girl. I've seen his expression on girls. He could have been a girl. I don't remember taking him home. I haven't heard anything. Someone would have said something. The eyes tell it all. Everybody needs somebody they can spit on. I spit on me first. I don't want to write about this anymore. I am tired. I have been laid off at work. The black male laid me off.

Parents in Clay County, Florida, and a California school district ask for the removal of *Little Red Riding Hood* because of an illustration showing a bottle of wine in Red Riding Hood's basket.

*In Damon, Texas, an award-winning children's book, *The Bridge to Terabithia*, is removed from fifth-grade classrooms following complaints that the author takes the Lord's name in vain.

*A parent in Sarasota, Florida, demands that Stephen King's novel *Carrie* be removed from her child's middle-school library because of sexual content. The school's principal immediately takes the book off the shelf.

*Parents in Clay County, Florida, and Culver City, California, ask for the removal of *Little Red Riding Hood* from the school library because of an illustration showing a bottle of wine in Red Riding Hood's basket, which they say condones the use of alcohol. In Florida, the book is temporarily restricted; in California, it is yanked permanently.

* Across the nation, individuals and organizations are demanding that books be removed from classrooms and libraries, all in the name of protecting children from offensive and possibly harmful reading material. And despite the iron-clad wording of the First Amendment, which guarantees freedom of speech and expression, some of these censorship efforts are succeeding.

* "Book censorship is at an all-time

high," declares Barbara Spindel, senior researcher with People for the American Way (PFAW), a Washington-based watchdog group that publishes an annual report on censorship attempts in schools across the country. For the 1993-94 school year, the organization recorded 375 book challenges—up from 229 in 1990-91—and found that 42% of the challenged books were either removed, restricted or edited in some way.

"There are generally three areas of complaint," says Spindel. "The first is religious objections, that the material is anti-Christian or satanic or New Age. The second is sexual situations or sexual content. And the third is objectionable language or profanity. We've dubbed them pro-sex, pro-Satan and profane."

Parents are demanding the removal not just of sex- and violence-laden pop novels such as *Carrie*, but of classics, among them William Faulkner's *As I Lay Dying* (questions God), *The Autobiography of Malcolm X* (racist, anti-Christian, anti-Semitic and anti-American) and John Steinbeck's *Of Mice and Men*, which has been targeted more than any other book in the past 12 years. Last year, Steinbeck's tragic tale of the friendship between two itinerant laborers was challenged as part of a

ninth-grade honors English class in Cottonwood, Arizona, for "verbal abuse of a mentally retarded person," "lewd sexual connotations" and "explicit murder without remorse or punishment"—all of which was alleged to be "contributing to the delinquency of a minor."

Of Mice and Men also popped up among the 96 reported challenges due to profanity or objectionable language—challenges often made by parents who, admittedly, had not read the entire book in question. Also assailed were J. D. Salinger's *The Catcher in the Rye*, the Merriam-Webster Collegiate Dictionary and the Bible.

"This issue isn't about removing *Catcher in the Rye* or questioning a classic piece of literature," asserts Mike Russell, communications director for the Virginia-based Christian Coalition. "But we do feel parents have a legitimate concern at times, such as when a book like Stephen King's *The Tommyknockers* is in a school library where fourth graders can read it. We're not advocating the removal of literature, we just want parents brought back into the loop."

* A parent in The Colony, Texas, challenges the use of Bram Stoker's *Dracula* in a literature class because it "brings Satanism into our classrooms. It is a mockery of Christianity."

PFAW has found an increase in book challenges every year since they started researching the trend 13 years ago. Oren Teicher, president of the American Booksellers Association's (ABA) Foundation for Free Expression, has also noticed a marked increase in book challenges during that time, beginning with the inauguration of Ronald Reagan and continuing through George Bush's Administration.

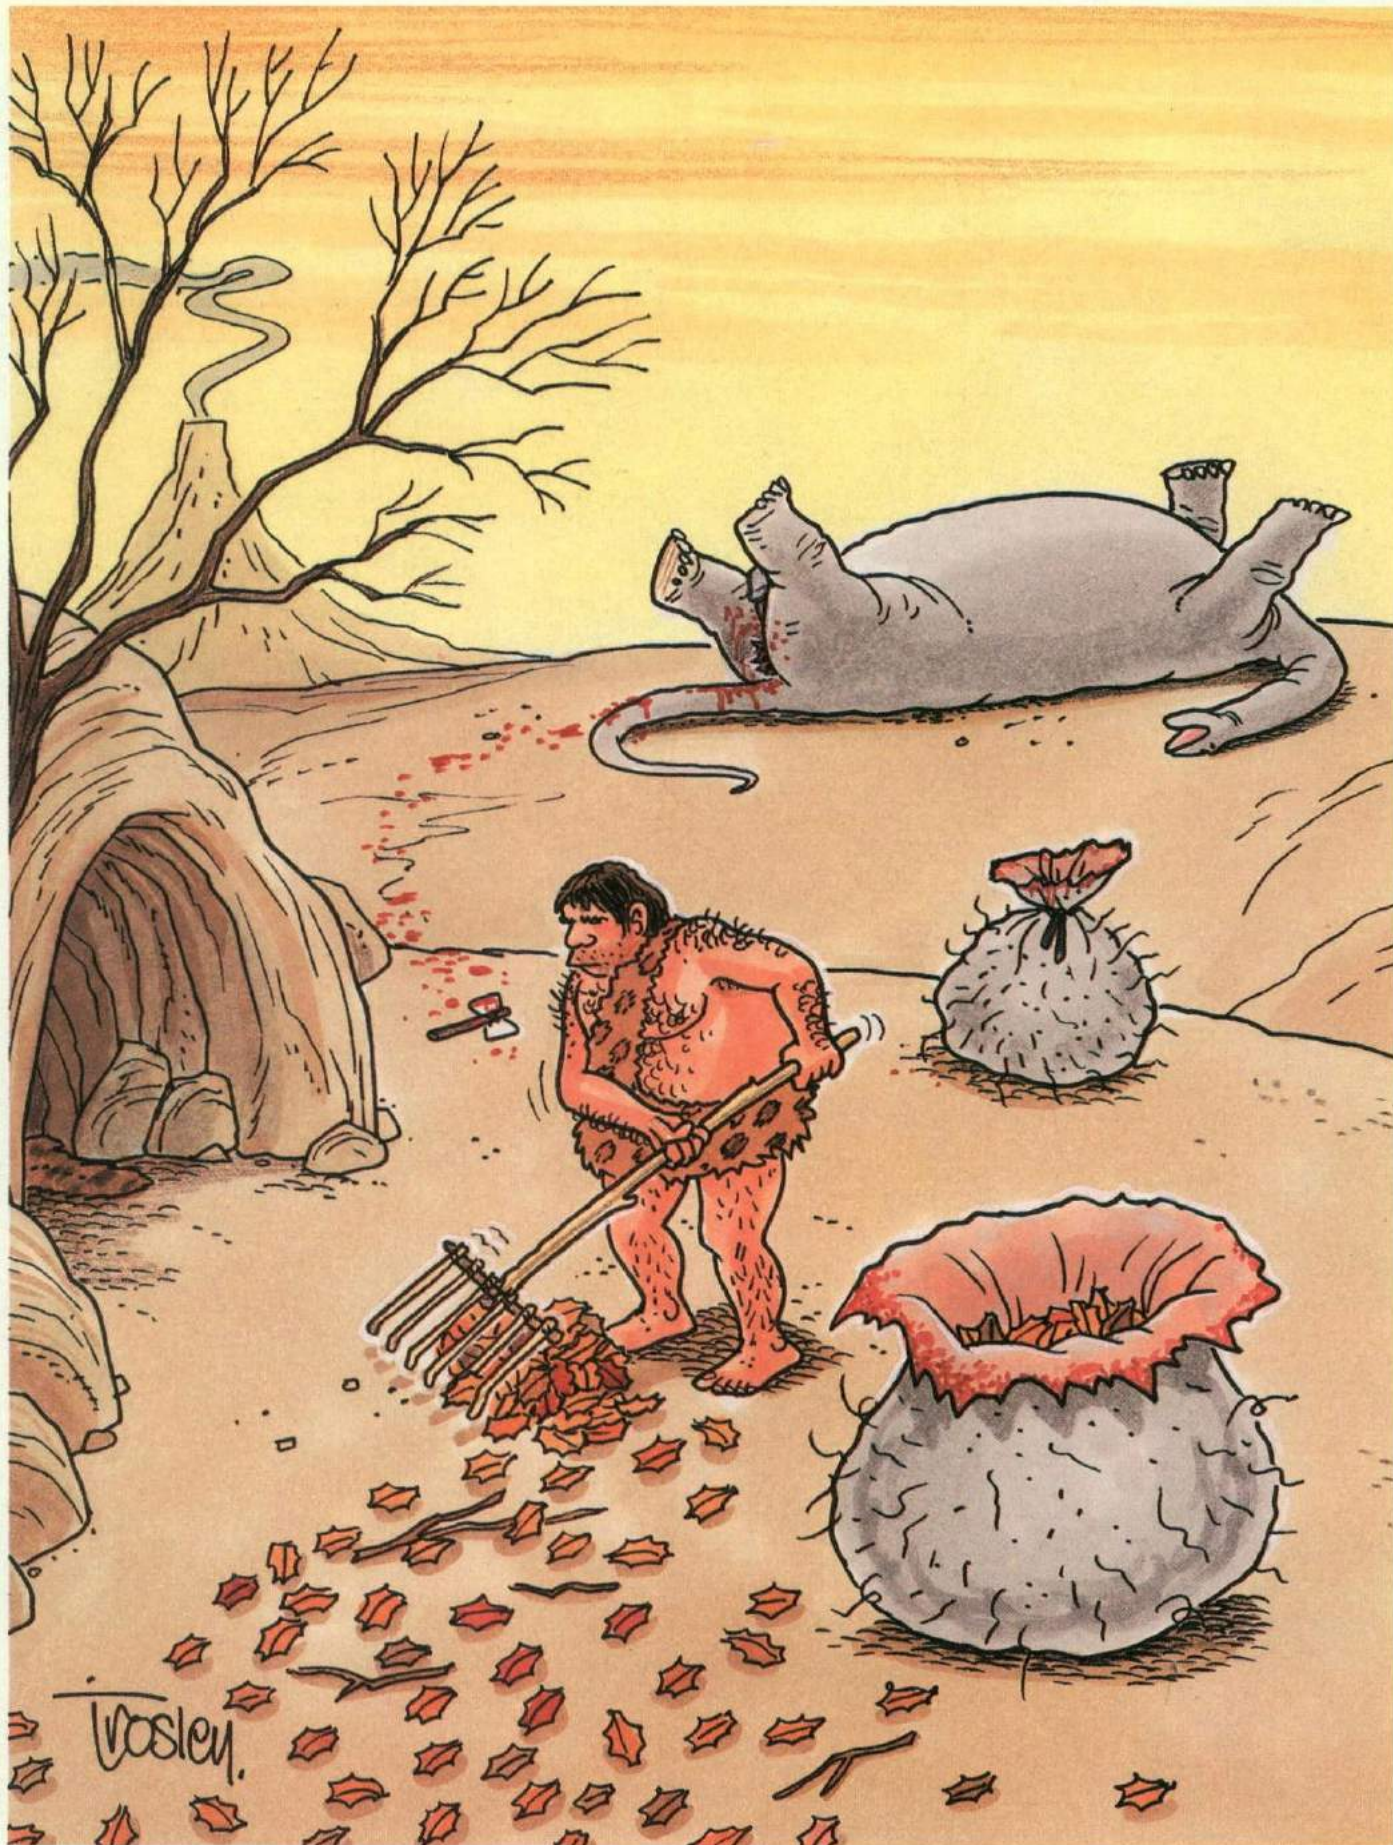

"The Reagan Administration and the Meese Commission on Pornography sort of unleashed those folks who happen not to like the content of certain kinds of material," says Teicher. "Rather than debate that material, they were emboldened to just get rid of it. Protest the libraries, protest the schools—it was like letting the genie out of the bottle."

* In Gwinnett County, Georgia, a group of parents demand that a sex education book, *What Is a Girl? What Is a Boy?* be removed from the children's shelves in the local library and placed in a section where it must be requested by an adult. The book explains that "every boy has a

penis and testicles" and "every girl has a vulva and a vagina," and also contains black-and-white photos of naked children and adults.

"I don't make it a habit to view naked women, and I was embarrassed by the nude woman in the back of the book," declares one parent. "If I felt embarrassed, surely I wouldn't want my children to see that."

"[PFAW] make it sound like there are a bunch of people on the loose who want to ban every book except the Bible from schools," protests Michael Ebert of Focus on the Family, a Colorado-based Christian organization. "We don't have a list of books we feel should not be in libraries or schools, but we believe the books ought to be there based on some sort of consensus and parental input."

Many times, says Ebert, a child comes home with a reading assignment the parent finds objectionable, and that's the first the parent knows of it. "Then, when the parent goes to the school and says, 'Gee, I'm concerned these kinds of books are in the elementary school library,' he or she is labeled a censor and turns up in the PFAW's annual report just for speaking up in the debate."

PFAW's Barbara Spindel agrees that

parental input is necessary—but with an important qualification.

"It's certainly legitimate and desirable for parents to get involved in what their children are reading," she says. "But you cross the line when you attempt to control not only what your child reads, but what every child in the school district reads and has access to."

"Most school districts will make arrangements for students to opt out of certain reading assignments if their parents object. And if you're talking about a library book, no child is forced to read anything in the library. That's free choice."

But some parents don't want certain books to be available in the library, where children can pull them off the shelf without supervision. The solution, according to Michael Ebert and the Christian Coalition's Mike Russell, is to place questionable books on a restricted shelf so they can be checked out only by certain grade levels or with parental permission.

"We now have warnings on television shows depicting violence or sexual activity, and our movie theaters run the same way," notes Russell. "A fourth grader cannot go see an R-rated movie unless accompanied by an adult."

In the eyes of First-Amendment absolutists, however, book restrictions are still a form of censorship.

"The problem with having works restricted based on the challenge of one or two or even many parents is that it limits what other parents may choose for their children," says Judith Krug, director of the Office of Intellectual Freedom of the American Library Association (ALA). "Even if every parent but one in the community thinks certain materials are bad, we would stand beside the one parent who says 'I want my child to have access to this material and these ideas.'"

Activists in Springfield, Missouri, assisted by a local Christian radio station, try to ban Yoshiko Uchida's short story "The Best Bad Thing" from fifth-grade classrooms, on the grounds that the story "uplifts the belief in spirituality" and contains the words omen, shrine and seance.

"We're not saying that one parent ought to be able to walk in and ram his or her agenda down someone's throat or force something on the school," insists Focus on Family's Michael Ebert.

But according to PFAW's Barbara Spindel, that sometimes is precisely what happens.

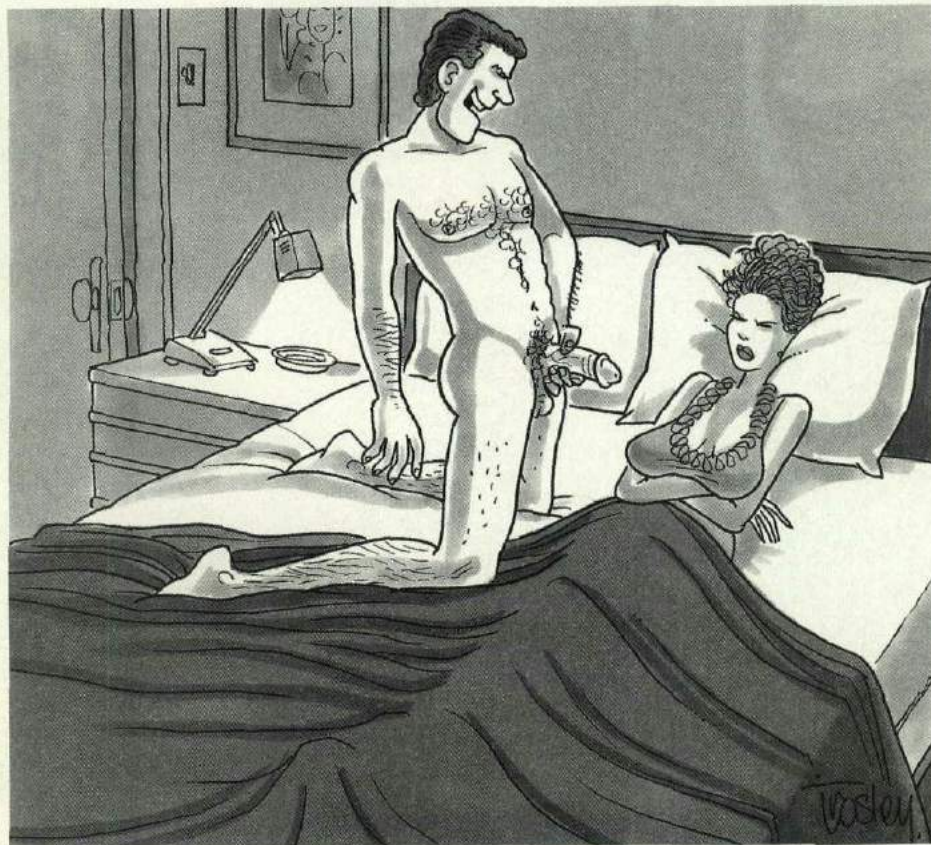

Most school districts have policies whereby an individual can fill out a form stating his or her objections to the material. Generally a committee will be formed to evaluate the complaint. The committee will make a decision, and then the individual can appeal, usually to the superintendent and then the school board. When policies are followed, says Spindel, the material is generally retained.

However, she asserts, "Very often policies are not followed. A parent will talk to a librarian or principal or superintendent and make the complaint, and the person in the school system might fear controversy or fear other parents will come, so he or she removes the material without following policy."

In the case of the Sarasota, Florida, banning of *Carrie*, the principal removed the book in direct violation of the school district's reconsideration policy. He refused to put it back even after being told that the novel met the school board's criteria for library material.

With the aid of his sister and parents, a recent graduate of Paso Robles High School in California campaigns for the

HUSTLER HUMOR

After moving to the sparsely populated Badlands of South Dakota, Ross did not see another human being for six months.

One afternoon, he noticed a man on horseback approaching his property. Ross stepped outside to greet the visitor.

"My name's Johnson," the rider said. "I'm your neighbor from a few miles west. I apologize for not stopping by sooner, but I'm having a party this Saturday night, and I'd like to invite you."

"I'd love to come," Ross replied.

"My parties are very wild," Johnson warned. "You can count on a lot of drinking, a lot of fighting and a lot of screwing."

"What should I wear?" Ross asked.

"It doesn't much matter," Johnson told him. "It's just going to be you and me."

"That's awful," the girl frowned. "I guess I could come back tomorrow. I was hoping you could fit me for nipple and clit rings as well."

Unlocking the door, Spike huffed: "Serves that bastard Tony right for gambling."

"See that long, thin shit heading our way?" Ed pointed out. "That came out of the boss, because he's such a tightass."

Sam was impressed.

"Percy delivered that piece," Ed indicated of a corkscrew-shaped floater. "He's the local faggot."

Finally, Ed announced: "Ah! That turd's from my wife."

"Wait a minute," Sam said. "What makes you think that's your wife's feces?"

"Because it's lunchtime," Ed beamed, "and it's got my sandwiches tied to it!"

The HUSTLER Dictionary defines *whiskey* as: a beverage that makes you see double and feel single.

Peggy consulted the services of a gypsy fortune-teller. The psychic predicted: "You will be poor and unhappy until your 40th year!"

"And then what?" Peggy excitedly inquired.

Question: How can you tell when your son is being abused at his day-care center?

Answer: When he comes home and sits on his pacifier.

Sister Bernice gazed from her second-story convent window and saw a shabbily dressed stranger leaning forlornly against the streetlight below.

Charitably, the nun wrote "Don't despair—Sister Bernice" on a piece of paper, wrapped a \$20 bill inside it and dropped the package to the street.

The following day, Sister Bernice was stunned to see the stranger she'd helped at the convent door. He handed her a huge roll of cash.

"What is this for?" the bewildered bride of Christ marveled.

"Yer winnings, Sister," the bum grinned. "Don't Despair paid 12 to 1 in the seventh yesterday!"

ROCK 'N' ROLL FANTASY

The Schmoozing Highs and Drunken Lows of an Alternative Music Convention
On-the-Road Report by Scott Schalin • Illustration by Frank Kozik

Once a year, unsung musicians flock to the South by Southwest Music and Media Conference in Austin, Texas, to discover the secrets of rock-star success. Sometimes, however, the road to prosperity lands them in the gutter.

SXSW

SXSW

"You fuckers are too fucking wild!" the bouncer shouts, leaving us stranded on the sidewalk. Chuck catches his breath and bums a cigarette. "Dude," he says, lighting the Marlboro, "let's find a hooker."

The best way to appreciate a business convention is under the influence of alcohol. Beer inspires conversation and takes its drinkers to places they might not normally go—like the bathroom every 15 minutes; and there's no better way to make new friends than with dick in hand.

So, I'm standing at a urinal in one of the 3,000 bathrooms inside the massive Austin Convention Center, pissing with one hand and draining a bottle of beer with the other, when a beefy, red-haired kid bellies up to the nearest toilet. He unzips and looks my way. Already self-conscious from this stranger's sideways glance, I grow terrified when a broad grin explodes across his freckled face.

"Dude," he says in a subtle Southern drawl, "you work for Larry Flynt?"

My masculinity returns when I realize he's staring at the standard-issue laminate hanging around my neck with the Larry Flynt logo printed beside the heading "company affiliation."

"Uh-huh," I grunt, trying to snuff the conversation and concentrate on the day's first great beer piss.

"What do ya do?" he asks, not getting the hint.

"I work for HUSTLER."

"HUSTLER?" he blurts to a chorus of flushes behind us. "No shit!" He finishes

peeing, shakes his dick dry, zips up and extends his right hand. "Name's Chuck."

"No offense, Chuck," I say, flushing, "but I know where that hand's been."

He laughs and slaps my shoulder instead. "Dude, let's get a beer."

We exit the men's room and head for the bar. The trek down the music industry's yellow-brick road has just begun.

The South by Southwest Music and Media Conference (SXSW) is a schmoozing affair to remember held every March in Austin, Texas. This year, more than 5,000 performers, promoters, producers, publicists and press people have converged on the state capital for the five-day seminar, which is sponsored in part by *Entertainment Weekly*.

By day, attendees flock to the Convention Center to attend panels and workshops such as "Producers: Shaping a Sound," "The Nuts and Bolts of Music Publishing" and the very riveting "Is Style Dead in Rock 'n' Roll?" By night, 500 bands whose styles range from cowpoke to punk to pop to putrid play to get noticed by the A&R people and booking agents trolling clubs all over town for the next inhabitants of MTV's *Buzz Bin*. The bottom line of the SXSW proceedings is success; and success in the music indus-

try is measured in thick black ink.

Chuck, it turns out, plays guitar in a San Antonio-based band called Grand Mal. A recent college graduate with a degree in agriculture, Chuck has traveled to SXSW, like hundreds of other star-seekers, to pass out his group's demo tape. His ultimate goal for the weekend is a meeting with Gerard Cosloy, the head of Matador Records.

"Matador's the label everyone wants to be on right now," Chuck explains. "We'd fit perfectly because we sound a lot like Pavement [a Matador band that's earned recent acclaim], but I can't get my demo in there; no one returns my calls. When I found out Matador was hosting a showcase night for five of their bands as part of SXSW, I charged the \$350 entrance fee to my mom's credit card and drove up here. I'm gonna find Cosloy, hand him a demo and say, 'We are the next Nirvana. Sign us.'" Being a dreamer works in favor of those clawing for a career in rock music.

Liberty Lunch is the club every up-and-coming alternative band wants to headline. It's the Taj Mahal of rock dives, as big as an airport hangar. The patio bar serves icy bottles of Shiner Bock beer, one of the many local ales as thick and rewarding as the oil pumped from every square inch of the state.

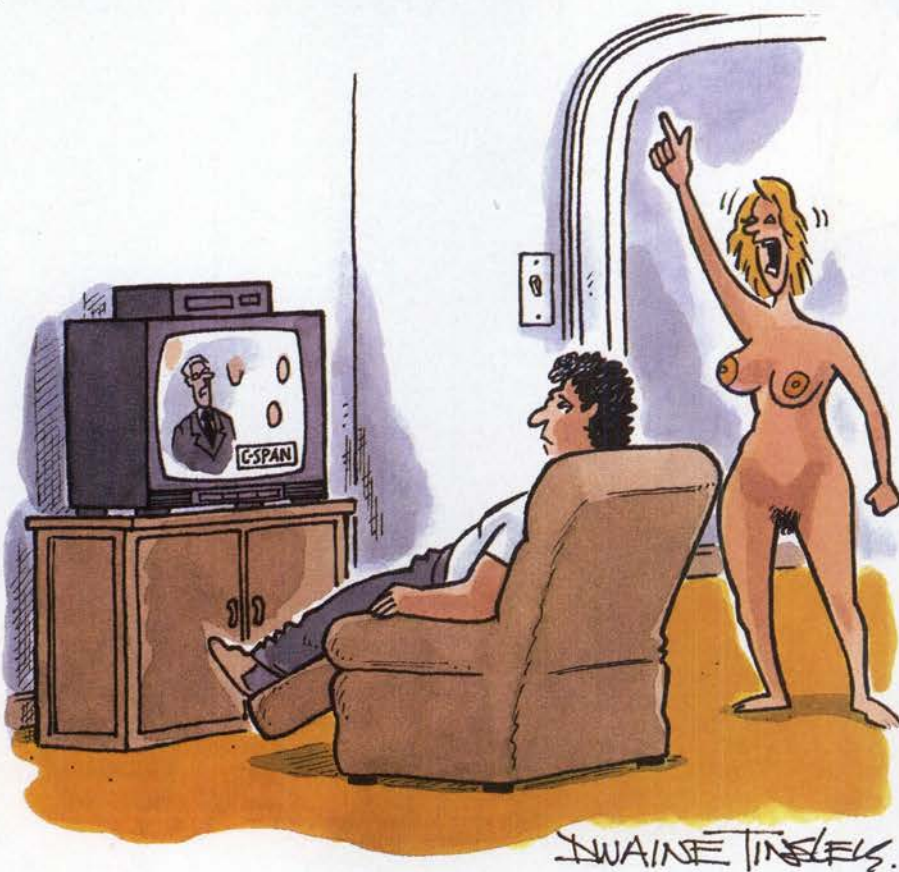

After a few too many, we head inside to see "the competition," as Chuck calls any recently signed alternative act. Tonight's headliner is Bush, a noisy Nirvana knockoff from England. As the singer growls, "There's no sex in your violence," over and over and over, people in the pit play pinball with their bodies.

Chuck, armed with a bottle of beer in each hand—one full, one empty—swings his arms like a crazed juggler, smacking whatever and whoever happens to be near him. That is, until two massive hands grab Chuck's shoulders and escort him to the front door with a polite heave-ho.

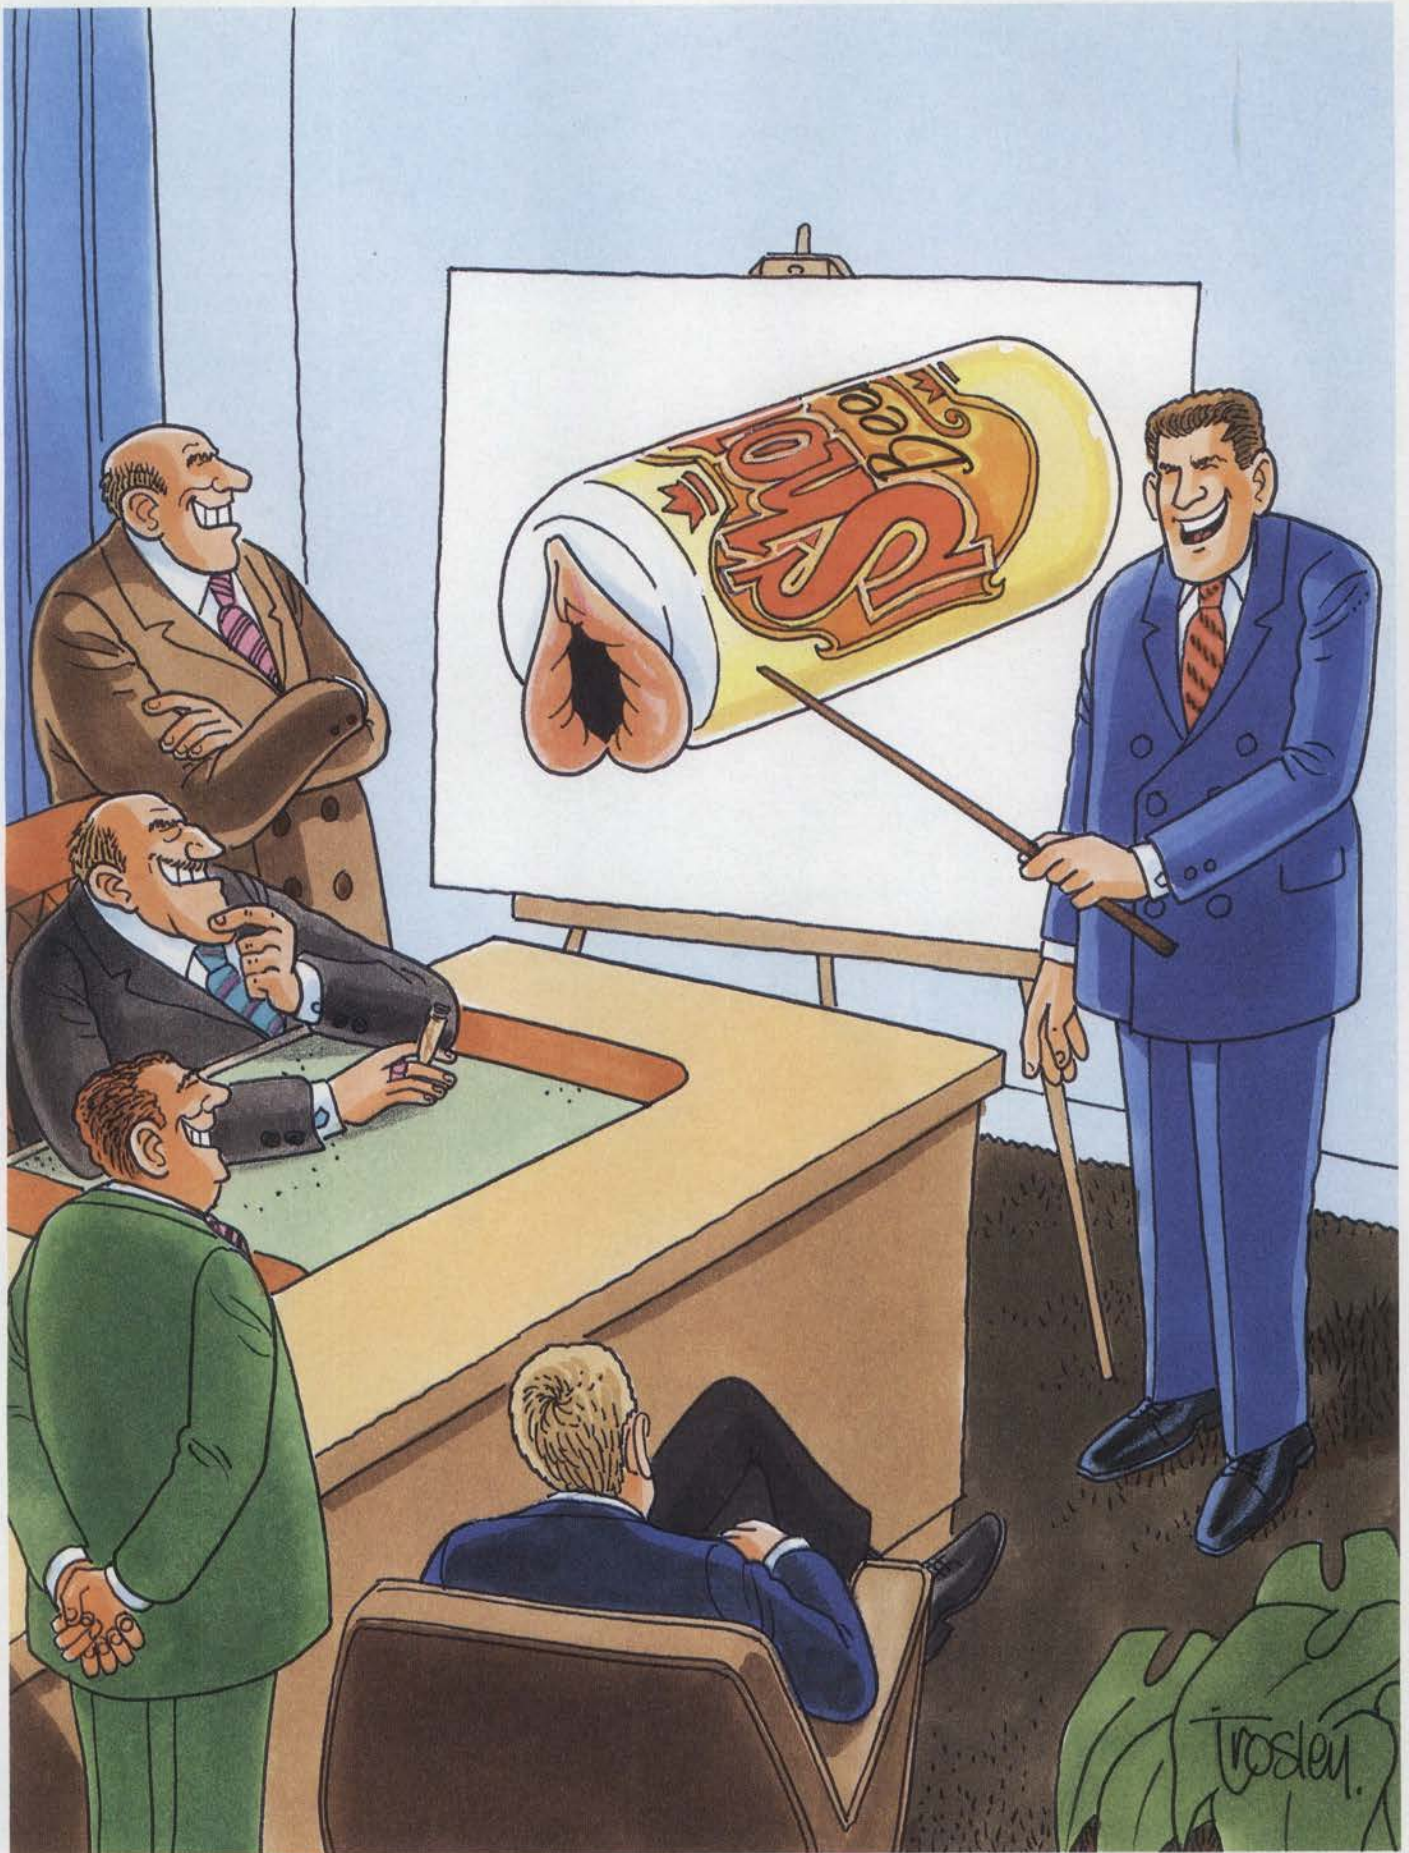

"You fuckers are too fucking wild!" the bouncer shouts, leaving us stranded on the sidewalk to ponder life. Chuck catches his breath and bums a cigarette. "Dude," he says, lighting the Marlboro, "let's find a hooker."

Every urban city seems to have a boulevard named after Martin Luther King. Austin's version leads straight into the supposed heart of hookerville on the east side of town, where the modern glass and cement structures suddenly give way to clapboard homes with long porches and wicker rockers. Hound dogs bay from

Deja & Paulina

Photography by Clive McLean

"Can you believe they have a dress code in this dump?" declares cocktail waitress Deja, brushing back a stray, blond curl.

"The management doesn't want the customers getting too excited," explains her coworker, Paulina. "So we're not allowed to wear blouses with plunging necklines, and our skirts can't be more than one inch above the knee."

"I mean, how are we supposed to get tips?" complains Deja.

"But we're going to fool them tonight!" giggles Paulina.

"Yeah," laughs Deja. "It may not be raining, but it's going to be wet inside."

Our lady of this evening hops into the front passenger seat, which I have gallantly vacated. The smell of her cheap perfume and musky perspiration erects a Pavlovian response in our pants.

backyards obscured by swamp grass.

"I don't really care about makin' money," says Chuck casually, as he steers his mom's white Ford Fiesta down another dark, narrow street. "I make music to release aggression; it's like, you know, art."

A smile spreads across his face. "Naw, man," he confesses. "I wanna play the fucking Astrodome! There's no glory in driving a fucking cab all your life."

"There's one," Chuck says a minute later. The "one" is a reasonably attractive black girl sitting on a bus bench and wearing a red belly-shirt and blue satin pants. Halle Berry she's not, but after a case of Shiner Bock, she's the most beautiful woman in the world.

Chuck stops the car. The girl saunters over to the passenger window and leans inside. "Howdy boys."

"We're, like, lookin' for some company," Chuck says politely.

Our lady of this evening hops into the front passenger seat, which I have gallantly vacated. The smell of her cheap perfume and musky perspiration erects a Pavlovian response in our pants. She reaches down and rubs Chuck's knee. Chuck smiles. She smiles. Everyone fucking smiles until jawbones are ready to crack.

"So, how much?" he queries at last.

"That depends," she qualifies with a sudden burst of seriousness. We both brace for the flash of a police badge. Hearts pump. Palms sweat. She leans in closer and drops the bomb. "You boys know, of course, that I'm a boy."

Oh, a boy. A boy? A boy! A fucking boy!! A FUCKING BOY!!!! Chuck attempts an impromptu John Bonham drum solo on the harlot's suddenly masculine face.

Quickly restrained, Chuck heads back out on the highway, his spirit and alcohol buzz equally doused. "Maybe we should call it a night," he sighs.

* * *

*Are you strong enough to be my man?
Are you strong enough to be my man!*

Sheryl Crow's feminist manifesto echoes through the big speakers of the Convention Center, pounding harder in our heads than the next morning's hang-over. Chuck, ashen-faced and 20 pounds lighter than the night before, orders a double espresso at the coffee bar.

"Man, after I dropped you off, I passed out in the fuckin' car. Woke up with my puke all over the floorboard." He adds three sugar packets to his breakfast coffee and swallows the hummingbird food. "At least, I hope it was my puke." He

trashes his paper cup and heads inside the main convention hall, where booths impart such time-honored wisdoms as how to manufacture compact discs, distribute compact discs and recycle compact discs without destroying dolphins.

In a corner of the main hall, Tabitha Soren, the fair-haired reporter from MTV's *Week in Rock*, swishes through with camera crew in tow.

"Hey, Tabitha!" blurts a large man who pounces on Soren like a rat on a cube of cheddar. "My name's Jack. I don't mean to bother you," he lies, "but I manage this band that's playing tonight that you've just gotta see."

Soren smiles politely and takes the band's flyer.

The amateur blowfish continues. "They're playing the Electric Lounge at 8:30; they're gonna be *really* big!"

"Sounds good," she nods half-heartedly. The guy's spiel ends, and he disappears inside the main hall, excited at the prospect of getting MTV exposure for his act. Soren shrugs to her producer and tosses the pitchman's flyer into the nearest trash receptacle, which is already stuffed with band announcements. Fame is fleeting; for some, the guaranteed 15 minutes lasts about ten seconds.

Chuck, meanwhile, gives copies of his demo tape to anything with a pair of hands. Maybe he's not just a dreamer. After all, the thinking man's pop-punk of his band, Grand Mal, fits right in with the money-making slacker sound launched by Nirvana's surprising breakthrough in 1991.

"Music puts more emphasis on making money than it does on finding true inspiration," observes freelance music critic Stephen M. "You had [Nirvana leader] Kurt Cobain, who was the genuine article: the depressed kid from a broken home trying to make sense of life by smashing his guitar and screaming like a banshee. When Geffen signed him, no one thought [Nirvana] was going to be big at all. Now, the industry's trying to churn out stars in his mold. It's like Nirvanamania," he says, alluding to Broadway's Beatlemania impostors. "The kids use anger as a mass-marketing tool. It's all phony."

Over by the free Tex-Mex spread, Chuck shakes hands with a man whose hairline begins at the center of his scalp and ends in the back with an oily, inch-long ponytail. Chuck pats the guy's shoulder and walks toward the Bloody Mary bar that I've called home for the past hour.

Uptown, as it turns out, is a downer: For several depressing blocks known as "the Drag," guys and dolls with dyed green and red hair sit in front of boarded-up businesses next to beggars, hippies and Hare Krishnas.

"That guy used to work at Virgin. He says he's gonna circulate my demo." Chuck excitedly slugs back his tepid Bloody Mary. "Making music is easy; it's selling the shit that's hard," he muses. "C'mon, let's walk over to Sixth and get a pint of something with alcohol."

Even during normal times, Sixth Street is a playground for the twentysomething set, with five solid blocks of music clubs, sports bars, pool halls and shit-hot gumbo cookeries.

On this Friday night, Sixth resembles a zombie takeover scene from *Night of the Living Dead*. The street is closed to traffic, and waves of people spill over the sidewalk, drinking beer, screaming obscenities and celebrating youth.

Next to a fajita peddler, a woman gets a green clover painted between her heavyweight hooters in honor of St. Patrick's Day. Kids with pierced eyebrows walk beside fat music publicists decked out in red, black and purple crushed-velvet dresses and wristfuls of clanging silver bracelets. A frat guy in a University of Texas sweatshirt drains a can of Coors in one long gulp and attempts to belch his school's fight song.

In the middle of all this merriment sits a disabled man in a wheelchair, holding a

red rose in his limp, right hand. His head tilts awkwardly to the right, supported by a steel pole attached to his seat. A plastic bucket full of flowers rests beside him. A sign on his lap reads: ROSES, \$3.25. CARNATIONS, \$1.55.

"Look at that," Chuck says sadly. He stares at the crippled man until a punky chick with jet-black hair walks into view. Her big breasts jiggle under a T-shirt that reads, LIFE IS TOO SHORT TO DRINK CHEAP BEER. "Look at that!" Chuck exclaims, his spirits brightening. The girl skillfully deep-throats a bottle of the always-regal Miller Lite. When she finishes the impressive gulp, she trips and bumps into the rose peddler's wheelchair.

"Shorry," the crippled one meekly apologizes.

Cleopatra looks at her male companion, whose hair stands in seven tall, red spikes. The two laugh and move on.

Chuck is bummed. "Let's get another beer," he proposes.

After each successive night of loud rock, cold beer and searing filets of fried catfish, the morning walk to the Convention Center seems miles longer. On Saturday Chuck and I wisely forgo the daily schmoozing affirmations and head uptown to see singer, poet and Macintosh

pitchman Henry Rollins, who's appearing at Tower Records.

Uptown, as it turns out, is a downer: For several depressing blocks known locally as "the Drag," guys and dolls with dyed green and red hair sit in front of boarded-up businesses next to beggars, hippies, modern-day evangelists selling hemp products and Hare Krishnas banging tambourines and doing their urban rain dance. Outcasts rule the Drag—until the two-story Tower Records rises up and spoils the slack-happy vibe with its capitalistic presence.

The store is packed with Rollins's rabid, predominantly male fans. The ex-Black Flag singer is signing autographs alongside Roky Erickson, singer/guitarist of '60s acid-rock legends the 13th Floor Elevators. Either rock 'n' roll or something not prescribed by a physician has taken its toll on Erickson, whose own elevator doesn't seem to reach the top floor anymore.

"What is this place?" he asks Rollins as the signing begins.

"Tower Records," Henry responds slowly and clearly.

"And it's okay that we're here?" Roky queries.

"They're here to see you," Rollins says under his breath.

"Why?" Roky asks.

"Because they love you."

"Oh," Roky mumbles. He stands and mysteriously walks away from the table after signing less than ten autographs.

"Fuck, dude, I can't believe I'm this close to Rollins," gushes a young enthusiast. "I want him to spit in my face. Yeah! I'm gonna say, 'Henry, you're the fucking best, and I want you to spit in my face.' That would make my life complete."

"Rollins is full of shit," Chuck observes. He checks his watch. "Hey, man, I have to get over to Emo's and wait for that Matador guy." We're off to see the wizard.

"The words *free* and *beer* form the world's greatest phrase," says Chuck, clutching two complimentary cups of Celis Pale ale in the patio area of Emo's. It's the last official night of SXSW festivities, and the assembled alternative rockers maintain a comfortably numbed disposition.

This is the day Chuck's been waiting for—the day he's going to meet Matador Records president Gerard Cosloy and talk his way onto their roster and into the limelight. The bands are scheduled to

removal of Isabel Allende's *The House of the Spirits* from a 12th-grade advanced-placement English class because of the book's "obsession of abnormal sexual activity" and scenes of violence.

"We need to reverse the downward trend and return to old-fashioned values," the former student declares. He acknowledges that he hasn't read the entire book.

Public complacency has played a role in allowing censors to get as far as they have, even when policies are followed. When a challenged book goes before the school board, Spindel notes, the greater community is not always aware of it.

"If the objector brings a lot of people to the meeting," she explains, "there is a good chance the school board will see all these people saying they want the book out, and not see people taking the other side of the issue." As a result, a vocal minority has a disproportional effect on the curriculum.

"The problem," maintains the ABA's Oren Teicher, "is that the vast majority of Americans who strongly believe they have the right to have access to anything they want as long as it's legal are a quiet majority. They don't speak out because they don't really believe our First Amendment rights are under serious challenge."

But even as public awareness increases, it's difficult to fight censors who forgo the proper channels and take a more aggressive tack.

"Books having anything to do with homosexuality or feminism or witchcraft are often stolen from public libraries," says Spindel. "That doesn't happen much in public schools, although there are situations where parents have their child check out a book and then refuse to return it."

It's an effective tactic. Libraries are typically short on money and reluctant to replace books that probably will be stolen again.

In Fairfax County, Virginia, the local chapter of the NAACP asks that the book *Jump Slave to Freedom*, about a Connecticut slave in 1787, be removed from the school library because it makes disparaging remarks against blacks.

Getting her back to nature is bubbly Brenda of Villas, New Jersey. A housewife who's only 21 years old, Brenda's avocations include weightlifting, dancing and hiking. She listed no specific sexual fantasy, which leaves readers to ponder the possibilities of making a trail inside her wide-open spaces.

What beats spreading out in a cushiony chair? Watching cuddly Chelsea recline in her St. Louis, Missouri, home. A 27-year-old entertainer, Chelsea also relaxes by shopping and in-line skating, and her fantasy involves an overstuffing of a manly variety.

Green eggs and ham probably aren't what sizzling Sam serves up in her Dallas, Texas, diner, but her bountiful body could satisfy any hungry man. A sprightly 19-year-old, Sam camps, dances, runs and fucks in her spare time. *Sex, Thighs and Videotape* could be the title of her interactive fantasy that stars a camcorder and a couple of close friends.

Photo by Fiance

Those lips and those eyes verify this girl's standing as a self-proclaimed "Domestic Goddess." She's Harley, a 27-year-old resident of Santa Rosa, California, who reveals that nude sunbathing is her hottest hobby. Forgoing romance for fucking sleaze, Harley would like to have sex in a public men's bathroom and watch the assembled pissers beg to join.

Photo by Husband

By day, tempting Tamara is a slave to the grind of an office executive in Los Angeles, California. By night, she craves a more sexual servility. "I dream of living with a man who makes me obey his every sexual whim." An obviously liberated 25-year-old gal, Tamara's side interests include dancing, weightlifting and playing pool.

Photo by Friend

Displaying the perfect posture for temperature-taking, Tanja works as a nurse in Baltimore, Maryland. Playing peek-a-boo could apparently be added to her pastimes, which include horseback riding and gymnastics. Only 22 years young, Tanja has yet to fulfill a daring dream of fucking while skydiving. Keep those flaps up.

Photo by Husband

It's no mystery why friends call this femme fatale "sexy Rebecca." A 26-year-old housewife from Wonder Lake, Illinois, Rebecca enjoys fucking her husband and writing detective stories. Solving her fantasy: "My face in a cunt, and my husband's cock in mine." An open and shut case.

Photo by Husband

Her nubile legs don't lie: Nikki's only 19 years old, which just barely makes her fantasy of appearing in HUSTLER a legal reality. She attends college in New York City, and spends her free time experimenting with "erotic sex," which begs the questions: Who was the lucky man to wash that phrase right off of her thighs? And what kind of liquid did he use?

Photo by Boyfriend

Getting busted would be a lot more fun if this leggy security guard were the officer doing the frisking. Cheyenne, 23, watches over her hot property in Phoenix, Arizona. Sex, hiking, working out, poetry and playing pool are a few of her favorite things. Making love to her man and a beautiful woman on a beach in Hawaii is her drenching desire.

Photo by Friend

Shy would not apply to sultry Shay, considering her sexual longing of making love on a crowded beach. A 21-year-old student from Golden, Colorado, Shay bones up on skiing and riding ATVs when not cracking books.

Photo by Friend

Kimberly looks on the bestial side of life. "I like hunting, fishing, playing with animals and having sex," she writes, but qualifies, "not necessarily in that order." Kimberly is a 25-year-old student from Oak Park, Michigan, who fancies a sexual scenario where her lips are wrapped around her old man's cock while his pal does her doggy-style. Finally, hunting even animal activists can get behind.

Photo by Husband

Displaying a stimulating version of the push-up bra is lovely Julie, a retail store manager from Methuen, Massachusetts. At 23 years old, Julie enjoys life's simple pleasures—swimming, shopping and spending time with her husband and two sons. Two sons?! No wonder she hasn't had the time to fulfill a fantasy of making love on a secluded tropical island.

Photo by Husband

A rose by any other name would not smell as sweet as sexy Sonya. A 22-year-old student and dancer in San Francisco, California, Sonya's favorite leisure activity is walking around that beautiful City by the Bay. Her foreign fantasy takes her to the canals of Venice, Italy, where she dreams of having sex in a floating gondola. Now *that's* amore!

Photo by Boyfriend

Getting ahead with her behind in the *Beaver Hunt* competition, welcome Nova, a 23-year-old student from Topanga, California. An avid health enthusiast, Nova maintains a strong cardiovascular workout regimen that includes in-line skating and weightlifting. She also digs the beach, where she'd love to make love in the gritty, grimy sand.

Banned

For most conservative groups, however, homosexuality simply has no place in America's schools—and members bristle every time they're labeled censors for fighting it.

major American writers to be targeted by censors. In 1855, *The Adventures of Huckleberry Finn* was banned from the public library in Concord, Massachusetts, and labeled "trash suitable only for the slums."

Mark Twain continues to give censors fits today—but for a different reason. Opponents of the book, which was challenged by five communities during the 1993-94 school year, argue that it is racist on its face because of Twain's frequent use of the word *nigger*.

"We can't ignore censorship based on political correctness," asserts the ABA's Oren Teicher. "A lot of people presume that censorship comes heavily from the political right, but our experience is that the tendency to censor does not know the traditional political boundaries that people assume."

He recalls an incident in a heavily African-American school district in which there were strong objections to Alice Walker's books—especially *The Color Purple*—because her occasionally unflattering depiction of African-Americans offended and embarrassed some people.

Six to seven percent of book challenges in the 1993-94 school year came from politically correct liberals, accord-

ing to PFAW. Among the works targeted were *The Autobiography of Malcolm X* and the play version of *Peter Pan*, which was charged with portraying American Indians in a bad light.

Regardless of the motives of parents, says the ALA's Judith Krug, they want the same thing: to limit ideas and withhold information.

In Washington Township, New Jersey, a local group charged that two books available in a middle-school library, Understanding Your Sexual Identity and Coping With Your Sexual Orientation, were "indoctrinating our children in the gay lifestyle."

While censorship attempts come from all sides, religious right groups lead the charge, according to PFAW. Not surprisingly, challenges against books such as *Heather Has Two Mommies* and *Daddy Has a Roommate*, which help explain homosexuality to children, have escalated in the past couple of years, surpassing the number of charges against sex in general.

"One of the ideas that is high on the censorship list is not homosexual pornography, but the very concept that homosexuality is an acceptable choice,"

explains Peter McWilliams, the openly gay author of *Ain't Nobody's Business If You Do*, a book on consensual crimes. "There was even a Senate bill introduced a few years ago that said schools are not allowed to teach anything or have in their libraries anything that promotes acceptance of homosexuality. So we're not saying that two guys sucking each other off, or two women going down on each other, is not permitted in schools. We're talking about someone saying, 'Here, these are the choices you have in terms of sexual and romantic expression.'"

For most conservative groups, however, homosexuality simply has no place in America's schools—and members bristle every time they're labeled censors for fighting it.

"Last year, People for the American Way's most challenged book was *Annie on My Mind* by Nancy Garden," notes Focus on the Family's Michael Ebert. "This is a book about a lesbian relationship between two high-school girls. The religious people who are in it are portrayed as closed-minded bigots who hate these girls, while the heroines are two lesbian teachers who are portrayed as martyrs."

"This book was donated by a gay rights group to public high schools in the Kansas City area in the last school year, so seven of the nine challenges nationwide came up there. When parents found out about the book and especially its derogatory portrayal of religious people, they complained. They thought it had a political agenda and was inappropriate."

A parent in Jacksonville, Florida, challenges Shel Silverstein's *A Light in the Attic*, declaring that a cartoon sketch of a bare bottom was nothing but "nudity."

In his book *Free Speech for Me—But Not for Thee*, journalist and First Amendment absolutist Nat Hentoff recalls meeting two librarians from Minnesota who were great admirers of Judy Blum, a popular children's book author known for her ability to accurately capture adolescence—complete with cuss words and teenage angst. "But we're not going to buy another book of hers," said one of the librarians. "Too much damn trouble."

The result of endless battles against book banning is often self-censorship on the part of teachers, librarians and school officials, says PFAW. The schools consciously avoid potentially

begin playing at 9:00. Unfortunately, it's barely 6:00, and a new keg of free Celis has just been tapped two feet from where we sit. "Perfect," Chuck declares. "I'll drink just enough to get the courage to approach him."

By the time the noise combo Unsane begins its set at 11:00, Chuck is pouring the foam off of beer number 24. His eyes have become two black holes, but he fuzzily spies the Matador bigwig. It's time for the big sales pitch. Chuck searches through coat pockets. He can't find his demo.

"Shosh danmit! Were da feck did ah pet da tape," he slurs, his Texas accent traveling due south into the Gulf of Mexico. "Fack et!" He practices his speech. "Meester Coosely, my name's Chuck, and you bitter fuggin' sign my band, or I'm ganna fuggin' throw up en yer shoes." Sensing his pitch needs a little polishing, I pull him outside, where he practices a different sort of hawking onto the sidewalk.

Twelve hours and twice as many double espressos later, Chuck climbs into his car for the trip back to San Antonio—without a record deal.

"Matador or no Matador, we're gonna get signed," he smiles wanly, the sunburnt color finally returning to his cheeks. He

extends his hand. This time, I shake.

After days of soul-searching and soul-selling, of deals and disappointments, the music community is ready to sleep off 1995's SXSW convention until next year, when a new batch of bands and businessmen will arrive to bite off a slice of the rock 'n' roll cash pie.

My taxi arrives, driven by a rail-thin cabbie whose look is part Willie Nelson, part Charles Manson. On the way to the airport, the conversation somehow turns to his personal life. Years of alcoholism had left him homeless, "working" as one of those beggars who sprout up on freeway off-ramps like weeds. Then he met a woman, fell in love and sobered up. A year ago, he landed his current job and moved into a tiny apartment with his wife.

"I've lived in hell, man—under freeways and in alleys that reeked of puke—but now I've got it all." He stops at a red light. "A long time ago, I realized that all a man needs to be truly happy is a fishing pole and a place to fish."

The cabbie looks in the rearview mirror and smiles. "I got myself a pole." The light turns green, and he accelerates in a profoundly satisfied silence that, for one moment, sounds louder than the rowdiest rock and roll music in the world.

controversial books because it's not worth the hassle.

"That's not something our research reflects, but it's something I hear about anecdotally quite often," relates PFAW's Barbara Spindel. "School districts naturally shy away from any form of controversy."

Two mothers in Fairfax County, Virginia, urge the school board to remove an eighth-grade literature textbook containing stories by authors such as Edgar Allan Poe and John Steinbeck and replace it with more "family friendly" literature "that is uplifting and builds strong character." The parents' fear is that stories such as Poe's "The Tell-Tale Heart" could prompt vulnerable teenagers to commit suicide or fantasize about violence.

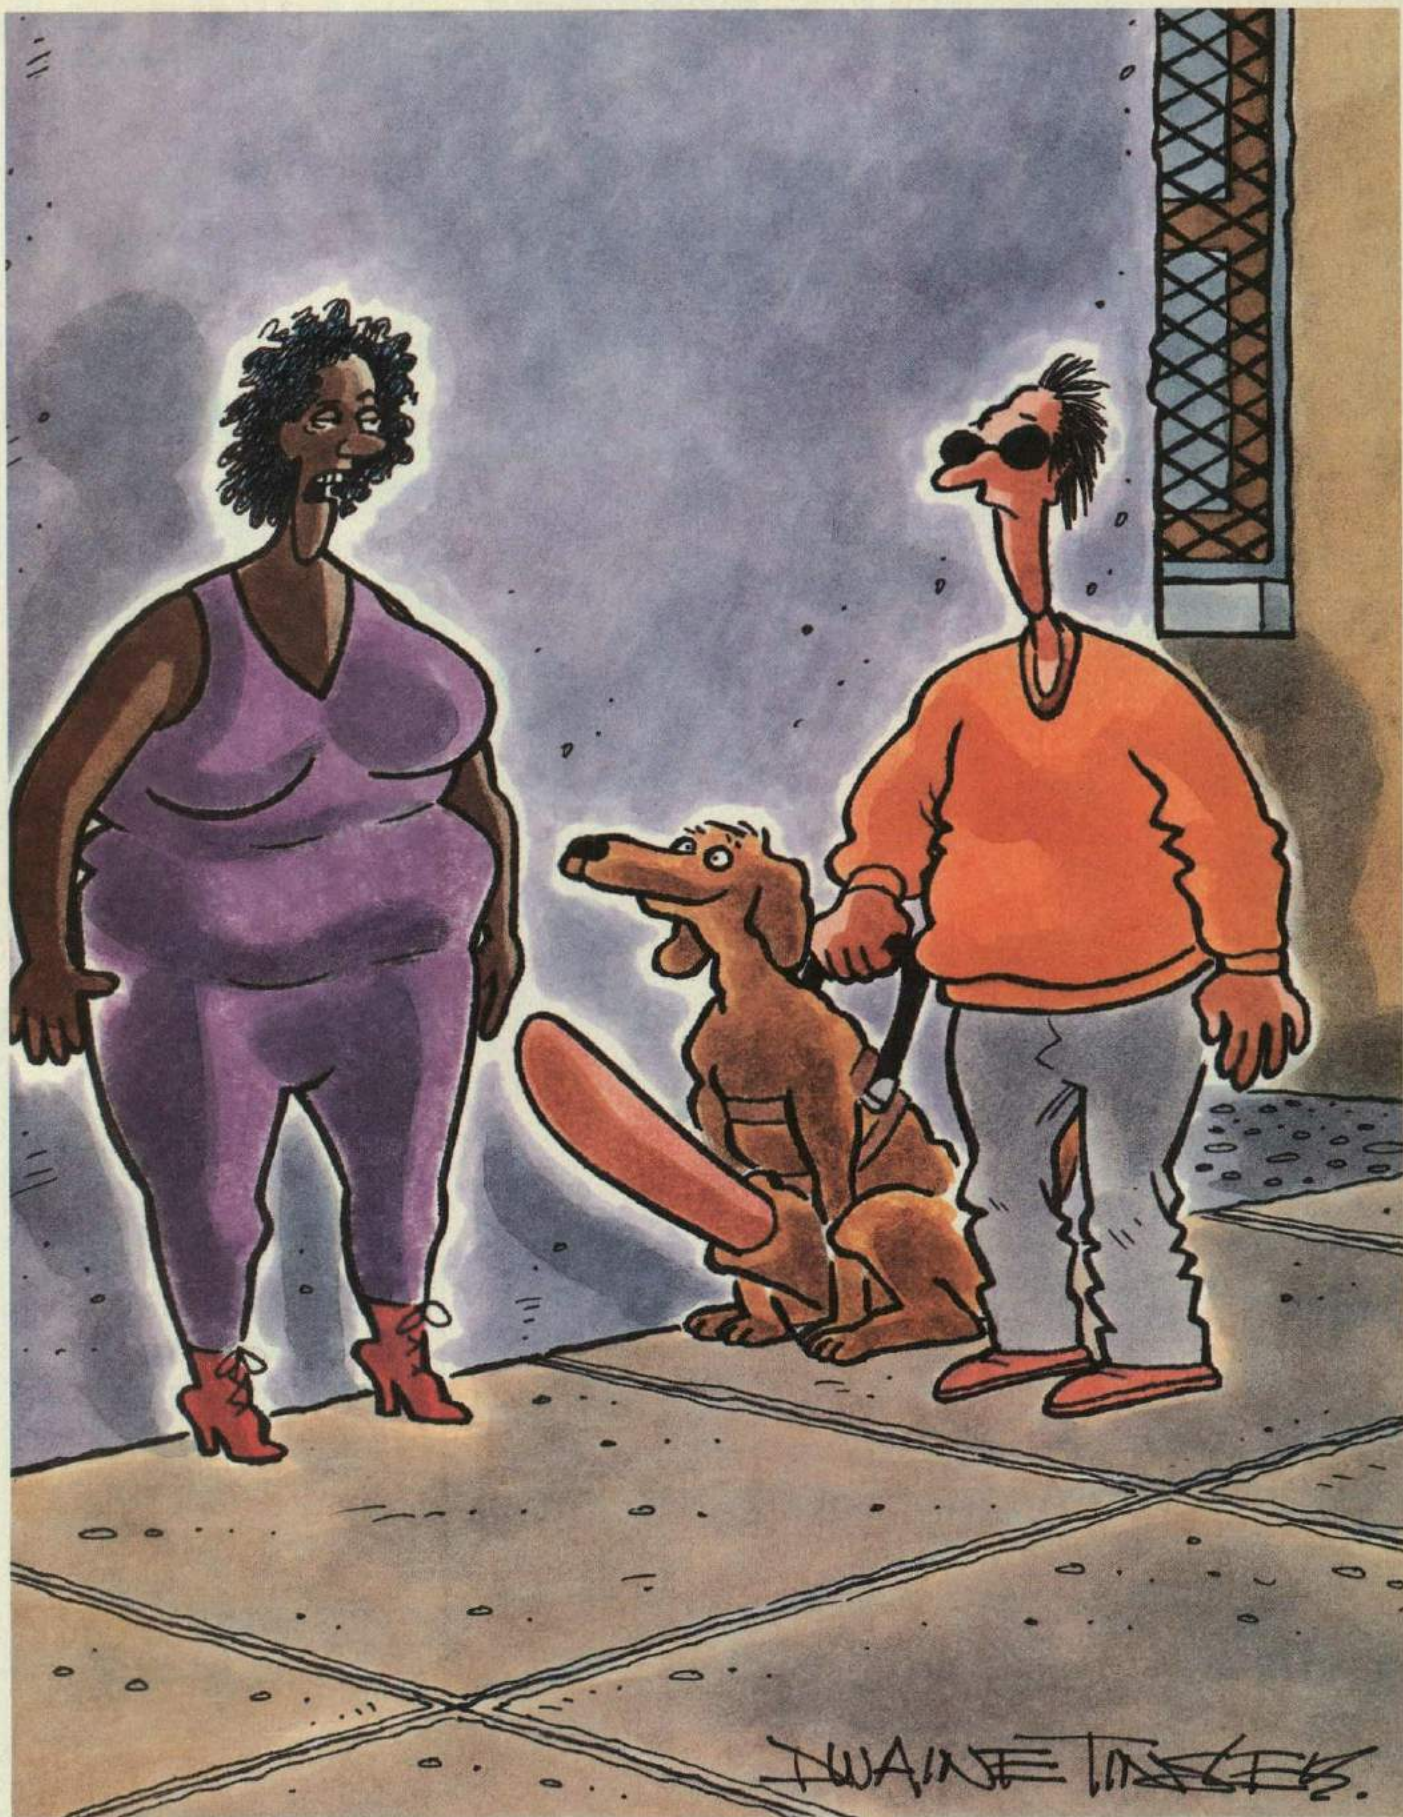

"I doubt there will be a day when there are no book challenges," opines the ALA's Judith Krug, "because human nature is never going to allow people to gracefully accept ideas that they don't feel comfortable with. You have to be a pretty strong, together human being to willingly let ideas that are particularly painful and harmful be out there, available to anyone who wants them—including children, who may be harmed, if you believe words can harm children."

The real danger, says Barbara Spindel, is the message that these book challenges send to America's young people.

"The message is: If something is controversial, or you don't like an idea, just suppress it and get rid of it rather than discussing it," she declares. "That's a dangerous concept. It's also bad civics for children to see when something like this goes on in their school. They're not learning a good lesson about the First Amendment and their own freedoms."

The school board of Rockingham County, North Carolina, bans I Want to Keep My Baby!, a novel about a teenage girl who gets pregnant and keeps her child for six months before giving it up for adoption, from the Morehead High School library. "The book says it's all right for Johnny and Susie to go against their Heavenly Father," maintains a minister who supports the ban.

Two months later, after a three-hour public debate, the board votes 6-1 to reinstate the novel. The audience of 200 gives the board a standing ovation.

"Sorry, man, I can't get into it—but I will fuck your dog!"

WOULD YOU LIKE THE SEX POWER OF A BULL?

All over the civilized world the natural substance TOCOPHERAL is given to breeding bulls to get quicker repeating erections and stronger orgasms. Not conclusive in humans, but if you'd like to WANT IT MORE and DO IT MORE, if you'd like a BIG STIFF ERECTION that goes the distance and an orgasm that rattles your bones, try it. Safe. "A JOURNEY INTO THE BIZARRE"

with **PAUL NORMAN** . . . the master of the unusual!

We bring you a collection of eleven adventures in erotica that are unlike any you've ever seen — we guarantee it! **PAUL NORMAN**, "The Master of the Unusual!" goes where few producers dare to tread in the production of his sex films, stopping at nothing to bring you the most visually shocking sex encounters ever filmed — XXX hardcore that appeals to every taste — every kink! Not content with the normal big-dick studs and porno starlets, he has sought out, discovered, and brought to the screen true hermaphrodites (people who possess a penis and vagina); Siamese twins who perform sex on camera; bisexual nymphs and satyrs who will do anything to get off; and much, much more! NOW — by special arrangement with Mr. Norman, we offer you this showcase collection of his best works. Obviously, his films bring top dollar when sold individually, but during this limited special offer, you can acquire these classics at a price that makes them an unbelievable bargain!

PN-1 "BI & BEYOND" (Hermaphrodite with a woman) — The film that set the sex world on its ear! Deliah, the stunning brunette hermaphrodite with a gorgeous woman's body and pulsing 10 1/2" cock, makes her film debut, licking, sucking and fucking a blonde woman in every way imaginable!

PN-2 "PASSION BY FIRE" — A bisexual female and bisexual male join forces and cruise pick-up bars in search of sex partners to quench their insatiable appetites for cum! 3-way action where no hole is left unfilled!

PN-4 "BI & BEYOND 2" (Hermaphrodite with a man & woman) — A horse-hung hermaphrodite easily satisfies a man and a bi-guy as she uses her awesome sexual equipment in a 3-way fuck fest such as you've never seen before!

PN-5 "JOINED" (Siamese twins with a man) — Perhaps Paul Norman's most incredible discovery of all — gorgeous young Siamese twins joined at the hip, who catch a peeping tom and grant his fondest wish — to have sex with them! A must see, alone worth the price of the entire collection!

PN-6 "INNOCENCE LOST" — Two lesbians decide to try cock for the first time, and introduce their neighbor to new thrills as they penetrate his virgin anus with their dildoes & lesbian sex toys!

PN-7 "BI & BEYOND 3" (A hermaphrodite with a man) — A gorgeous blonde with a dripping pink pussy and throbbing 9" cock auditions for a film role. The producer (who's bi) has his hands full (and his manhole) when this unique, oversexed creature gives him an updated lesson in male & female anatomy!

PN-8 "HEATWAVE" (Interracial bisexuality) — The black bisexual crew of a yacht "drops anchor" in the hot mouths and hungry pussies of their cock-starved bisexual blonde passengers. A "salt & pepper" suck & fuck fest ensues all over the boat!

PN-9 "SEPARATED" (Siamese twins with two men) — The stunning Siamese twins yield their mouths and cunts to the throbbing cocks of two studs as they have their first 4-way group sex experience. An eye-popping, cum-spurting orgy of double fucking and sucking!

PN-10 "BI & BEYOND 4" (Super-hung black hermaphrodite with a man) — "Herculina," the incredible black hermaphrodite with a 12 inch penis, teaches a "white boy" about "long-dicking" as he has his first encounter with nature's "ultimate sexual partner," the hermaphrodite!

PN-11 "OFFERING" — Imagine what happens when 8 multi-organic male & female bisexuals get together for an "orgy to end all orgies." It's all here — hot, wet, and up-close, as Paul Norman's camera record the most cum-saturated sexual encounter ever filmed!

MAKE YOUR OWN PENIS BIGGER than HUGE!

A NEW LOW PRICE FOR A PENIS
ENLARGEMENT & ERECTION BUILDING SYSTEM!

It's impossible to fail when using the HYPER-PUMP! It's the
easiest way yet to **LENGTHEN, FATTEN & STIFFEN** your
penis to new startling proportions! See photos below.
**HAVE ERECT MEASUREMENTS OF 9, 10, YES!
EVEN 12 FULL INCHES!**

HOW TO BUILD A GIANT PENIS!

If you've wanted to be the man that amazes women . . .
the envy of other men because of their massive male
organ . . . if you've ever craved a long, curving penis
that hangs down beyond your balls along your thigh,
there's only one sure-fire way to achieve your desires!
Millions of men know how huge their penis can be
thanks to regular use of vacuum development. And
now, at a reasonable cost you can share this exciting
experience!

NEW HYPER-PUMP TAKES YOUR PENIS TO A NEW DIMENSION!

On your first use of the new HYPER-PUMP you'll watch
your penis expand in thickness until the skin is stretched
tight and your veins are vividly exposed! You'll watch
in astonishment as your organ stretches out further . . .
and further than you've ever imagined it could. You'll

see right away, without any doubt, that despite
its low cost, the HYPER-PUMPS really work . . .
and work fast to make your penis incredibly
bigger!

COST SO MUCH LESS THAN OTHER PUMPS! WORKS BETTER TOO!

You may have seen deluxe pumps costing \$50 . . .
\$75 . . . \$100 . . . even as much as \$300! The fact is
all pumps work on the same principle so why pay
more for expensive advertising! The HYPER-PUMPS
were designed for men who want fast, first-class results
for a reasonable price. They are engineered for ease of
use, with the fewest possible parts (nothing to break or
wear out), light in weight, but exceptionally durable.
And best of all the regular model HYPER-PUMP costs
only \$14.50! Or you may order the SLIM-JIM or
deluxe ELECTRIC models for just a little more!

HOME VIRTUAL REALITY SIMULATOR SYSTEMS

Completely self-contained, designed for personal home use

READY-TO-ENJOY • NO COMPUTER NEEDED!

SEXUALLY ORIENTED ADULT ENTERTAINMENT AS YOU KNOW IT IS ABOUT TO CHANGE FOREVER; IF YOU WANT TO BE ONE OF THE FIRST TO EXPERIENCE THIS INCREDIBLE NEW BREAKTHROUGH, KEEP READING...

cybersex *n.* (sigh-burr-sex)—a sexual encounter that one experiences utilizing the new technology of "virtual reality," i.e. not occurring in reality, but with all the sensations, pleasure, and orgasmic response of real sex so faithfully duplicated, as to be virtually indistinguishable from the real thing. (See also cybersexual intercourse.)

Virtual Reality is the **most phenomenal breakthrough** to emerge from science in decades. The whole world is talking about it: *The Los Angeles Times Magazine* and other major metropolitan newspapers have covered it; Talk-show hosts have experimented with it on national TV in front of millions of viewers; An author made it the subject of his best-selling book-turned-blockbuster-movie. A popular hotel/casino in Las Vegas has a coin-operated system installed that generates more income than most of its black/jack tables; There are even **some fast food restaurants that have installed VR systems**, to capitalize on the guaranteed, magnetic draw of such an incredible attraction.

What is **VIRTUAL REALITY**? Quite simply, it is nothing less than a **technology that can virtually re-create reality**—every sight, sound, smell, touch and sensation of any human experience can be duplicated, "cloned," with a system that simulates all the sensations of the Real McCoy, and allows a subject (you, for example) to experience and enjoy the little episode as if you were really there; **no human being can tell the difference.**

Scientists and researchers have actually discovered "the building blocks" of sensory perception, and **more incredibly, are able to recreate, or "clone" those patterns**, resulting in an experience so indistinguishable from the real thing, that it has been dubbed **"VIRTUAL REALITY."** Since the mind's conscious interpretation of incoming stimulus is what determines the nature of human experience, this means that **actual events in human experience can be synthesized, re-created at will**, to be "re-played" at any time, with any subject (you), like today's video cassettes, but on a **far more realistic level.**

As a medium of entertainment, however, its implications were **truly astounding**. Imagine being able to "relive" any situation you desire, whenever you want, as often as you want to? Imagine "custom tailoring" a sexual experience to your own stringent requirements—every detail, every nuance—**exactly the way you like it**. Not only that, but also **available whenever you want it, as often as your body can handle it!** Gay or straight, the subject matter is at your total command; **the only limitation is the human imagination.** Are you beginning to grasp the phenomenal scope of this discovery?

"We've discovered that our imaginations are like high-powered race cars and in the land of Virtual Reality, there are no speed limits, no stop signs, and you never run out of gas..."

Betty Jo and Darryl Sanderson, Spokane, WA*

A consultant named Peter Webber, whose firm had been contracted by major movie studios to

research new entertainment technologies came upon this systems at a trade show. In a brainstorm, he realized an as-yet-untapped area that would be an instant hit: **SEXUAL EXPERIENCES IN VIRTUAL REALITY—so detailed, so true-to-life, it would be a perfect "clone" of the real thing.** Every voluptuous curve of the perfect sex partner would be recreated to your specifications; that indescribable "tingling" in your groin; every sensation of a totally satisfying sexual experience—**exactly duplicated—indistinguishable from the real thing.**

If the magnificent implications of **SEXUAL EXPERIENCES IN VR** are still not clear, let's make a simple comparison between **REAL SEX EXPERIENCE** and **CYBERSEX VR SIMULATOR EXPERIENCE:**

REAL SEX

1. You may never have an experience with the "partner of your dreams."
2. Frequency often depends on mood and receptiveness of female partner.
3. Risk of pregnancy/disease can interfere and dampen pleasure.
4. Infrequent/not always available.
5. Finding and seducing partners can be very expensive.
6. For your pursuit, you need a nice car, a nice pad, nice clothes, and plenty of money.

CYBERSEX

1. You can enjoy your "dream partner" any time you want.
2. Frequency depends entirely on you; The words "no" and "headache" do not exist in virtual reality.
3. The safest and most satisfying sexual encounters known to man—always.
4. How often can you handle it?
5. For unlimited experiences, you incur a one time charge that costs less than dinner and a movie.
6. You need only an electrical outlet.

Please note—Virtual reality experience is entirely dependent on the orientation of the user—gay, straight, bisexual, groups, "kinky," or whatever—**there is no sexual discrimination in virtual reality!**

Perhaps the most wonderful thing about technology is that it constantly seeks to improve upon itself. A decade ago, video cassette recorders cost in excess of \$1,000; today they are little more than a tenth of that. And the same is true of Virtual Reality technology; the components that used to cost thousands of dollars can now be had for far less. This fact, coupled with the tremendous resources available to our movie and entertainment industry, make the time "ripe" for a breakthrough of this nature. After 3 years of intensive research, Webber developed the **CYBERSEX HOME VR—SIMULATOR SYSTEM.** So that the marvels of this new technology could be appreciated first hand by consumers **in the privacy of their own homes, at an affordable price.**

"Comparing a conventional videotape and a stereo system to a VR virtual reality system is like comparing a bicycle to a jet plane..."

Kyle Miller, Nashville, TN*

So why isn't this miraculous "DREAM MACHINE"—available on a mass level?

It's simple—the "giants" of consumer electronics don't want to release the goodies yet. They have to keep the price in the stratosphere, to "milk" the consumers, just like they did with VCR's CD players, and every other new development they've come out with.

But it doesn't have to be that way—not this time. Take advantage of this invitation to buy direct. Try out our **CYBERSEX HOME VR SIMULATOR SYSTEM.** Find out what the noise is all about, and why the whole world is buzzing. We'll ship you the genuine article, lock-stock-and-barrel, ready to use and experience, for only \$24.95 each. Or, if you prefer our multi person system will enable you to take that special person or persons through your journey to sexual ecstasy. The price of the multi person system is only \$39.95 each. We've got the only system of its kind, right here in the movie capital of the world, ready to ship direct to you; we alone have found a way to deliver a system like this one for this price. **Order yours today!**

"More words and pictures can't describe her... my dream girl from 'Cyber'..."
Leonard Soames, Baltimore, MD*

The most advanced, easy-to-use system for **PENIS ENLARGEMENT and ERECTION CONTROL** ever developed is now available . . .

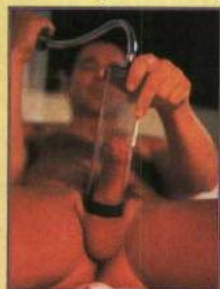

The SUPRA-12 Dual System®

with the patented SENTRY™ Prolong Ring

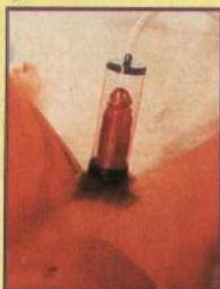

Now you can **GET IT UP** with a speed you never thought possible; you can **KEEP IT UP** at a phenomenally large size you never thought possible; and you can **STAY HARD** for an incredible length of time you never thought possible . . .

YES! MEN REPORT MEASUREMENTS OF 9, 10, EVEN 12 FULL INCHES ARE POSSIBLE . . .
Watch your penis **GROW LONG, GROW FAT** and **GROW** to new startling dimensions!

It's easy; when you follow these simple instructions.

1. ANY MAN, with ANY SIZE in its soft state, inserts his organ onto the sleeve of the miraculous SUPRA-12 with the new SENTRY Prolong Ring for erection mastery.

2. Begin the vacuum development phase; see your flaccid, puny organ start to GET LONG, GET FAT, BULGE & GROW - to new startling dimensions of LENGTH & THICKNESS . . .

3. IS IT AS BIG AS YOU WANT? Good! Now simply slip the SENTRY Prolong Ring to the base of your penis. You can keep that long, thick hard erection for as long as you wish!

HOW CAN THE SUPRA-12 DUAL SYSTEM INCREASE PENIS LENGTH & THICKNESS?

The phenomenon of male erectile response occurs when external stimulation, applied to the glans and penile shaft (see fig. 1) produces increased blood flow into the special muscles which reside in the penis. The increase produces turgidity and engorgement with a corresponding increase in thickness and size until the muscles are at full capacity. By increasing capacity, the muscles can hold more blood, producing a **SIGNIFICANTLY LONGER, FATTER, and BULGING ERECTION**. This is the principle behind the SUPRA-12, and it is simplicity itself! By using the system and all the components supplied, and flowing the simple directions, any man **CAN ENJOY ASTOUNDING RESULTS** in augmenting his natural penis size to the **VERY MAXIMUM DIMENSIONS** of which he is capable!

THE SENTRY PROLONG RING - THE MARVELOUS "BONUS" OF THE SUPRA-12 SYSTEM THAT ALLOWS YOU TO "HAVE YOUR CAKE AND EAT IT TOO!"

No penis-building system is any good unless it allows you to enjoy **LASTING INCREASES IN SIZE**, right? This is where the beauty of the sensational new SENTRY Prolong Ring comes in - it allows you to maintain your **NEW BULGING SIZE**, and enjoy your hard, virile erection, for a period of time that will astound you - erection control for as long as you want! Not only that, but the SENTRY is simplicity itself; sits quietly at the base of the penis, and **never interferes with penetration**, the SENTRY is your secret ally in pleasure, allowing you to **have intercourse, penetrating to new depths**, with an amazing new level of rigidity never attainable before. And then its removed in a flash. All this control literally **at your command, at your fingertips!**

THE BEST OF BOTH WORLDS: ULTRA-MODERN TECHNOLOGY AND GOOD OLD-FASHIONED VALUE - SUPRA-12 GIVES YOU BOTH!

It's a fact: Other, inferior systems have half the features as Supra-12, but sell at twice the price, at the very least! Made in the U.S.A. these state-of-the-art vacuum pumps are equal or better than those prescribed by doctors that sell for up to \$430. **ACCEPT NO SUBSTITUTES!**

NEW, IMPROVED ELECTRIC MODEL

Plug-in electric pump provides constant vacuum you control! Complete vacuum occurs gradually for safety and provides relentless vacuum without any physical effort. Ultimate in vacuum pump luxury!

"The quality remains long after the price is forgotten."

Have you ever been embarrassed by the size of your penis? Have you tried to convince yourself it's not how big it is but how you use it? As long as your sex partner needs to be completely filled, you owe it to yourself to do something about a larger penis now!

Our penis developer will increase penis length, thickness, and make your erection harder and stiffer. Did you know a woman's vagina will stretch and enlarge to accommodate a large penis? Imagine her excitement as you penetrate deeper than you ever have before.

How does our penis developer increase your penis length and diameter?

The answer is called hypermia, a medical term to describe blood filling into caverns of your penis. The caverns expand causing your penis to grow in size and diameter. The superior pump action and sealed vacuum of our penis developer urges your penis to grow to mammoth proportions. Our penis developer is not just a vibrator like some electric units you may see advertised. Remember, it is the precise slow super pumping action of our space age designed penis pump that builds your penis larger than you ever dreamed possible.

October HUSTLER on sale August 1, 1995

RISE IN FALL

Leaves may change color, but HUSTLER in October brightens the fall season with a shocking-pink cornucopia of comely cooze queens guaranteed to warm the cockles of every man's heart. Ring the bell of a bountiful European blonde basking in her bedroom with nothing to wear but velvet thigh-high booties and five fingers in her furry pooty; outside, an evenly tanned brunette takes shelter from the sun and cools her flesh with juice from her wet, pink well of desire; learn a nude interpretation of hooking as two gal fishing pals dive headfirst into damp, dark holes and eat their limit of full, feminine floppers; visit a desert pueblo where a small-topped, raven-haired seductress strips to show how she keeps herself pleased while home alone on the range; pick the locks of sexy XXX star Melissa Hill, who repays a lucky locksmith with a front-seat fuck and accepts a frothy mouthful of his slippery white lube. HUSTLER in October is all treats and no tricks. This candy won't rot your teeth.

RISING REICH

The American prison system has long been populated by violent underground organizations divided along predominantly racial lines. Among the most well-known and feared of this penitentiary-spawned underworld is the Aryan Brotherhood, a ruthless white-power organization that has grown in strength and clandestine range both inside and out of our nation's correctional facilities. HUSTLER Correspondent Charles Baker tells of his brush with the Aryan Brotherhood during the late 1970s. Take a shocking look inside the AB group in *Kill to Get In...Die to Get Out*, an exclusive report that explores the frightening power of a criminal organization that has proven impossible to infiltrate.

COMING OVER?

Orgasms are one of life's sweet mysteries. If only men and women could come as often as they wanted to, the world would probably be a better, albeit wetter, place. Unfortunately, the secrets behind giving and getting multiple orgasms remained unsolved—until now. Fuck Masters and Johnson! Join journalist Jon Mescal as he gets inside today's hottest porn stars and reveals the untold tricks of the trade regarding multiple orgasms. Learn how to come once, twice, even three times on a lady in "Count Your Blessings," HUSTLER's sizzling *Sex Play* in October.

DOWN FOR THE CUNT

Bits & Pieces takes a cruise aboard the Bestiality Boat; *Beaver Hunt* captures America's favorite flashers; and *Erotic Entertainment* reviews the *World's Biggest Gang-Bang*. HUSTLER in October dresses up adult entertainment with humor and naked truths. Come one, come all. Have a ball.

Hot Cunt- ...looking for hard cock...

All I do is fantasize about the day that I'll find some big strong man with a hard cock that can give it to me all night long. I don't care what he asks for...if he can fuck me right, he'll get it. I guess you could call me a Hot Cunt that's why I changed my number to

1-800-HOT-CUNT (468-2868).

As for my friend Tina, she wants her sex kinky, hot and wild. One or two men at a time and on occasion even a woman to tickle her clit or the guy's balls. She asked me to give you her number but only if you're naughty enough!

What cums next? You do when you call me at
